

Weather Forecast

Friday — Cloudy in morning, clearing during day, moderate southwesterly winds; little temperature change. Temperature, noon Thursday 51.

Izvestia Scores Palestine Policy Adopted By Britain

LONDON (CP)—Izvestia asserted today in an article broadcast from Moscow that British policy in Palestine "constantly pours oil on the flames of national strife."

Criticizing many phases of British foreign affairs, the Soviet Government newspaper reported that "in other countries of the near and Middle East British policy also has the clearly defined characteristics of efforts to dominate other peoples."

"The peoples inhabiting the vast areas between Malta and India come into the consideration of British policy from the narrow point of view of defence of the British Empire's communications," the article contended.

Izvestia also took exception to the recent declaration of Foreign Secretary Bevin in the House of Commons in which, it said, he stated the opinion that "there were many matters connected with the British Commonwealth and Empire which at least showed a sense of realism."

21 Nazi Leaders Open Defence Pleas

NUERNBERG (AP)—The 21 German leaders on trial for war crimes opened their final plea for acquittal today, accusing Adolf Hitler of the entire guilt for their country's aggression.

Prof. Hermann Jareiss presented the first of the defence summaries. The lengthy treatise challenged the charter setting up the International Military Tribunal upon which sit the judges of the United Kingdom, Russia, France and the United States.

The defendants — politicians, soldiers, admirals and diplomats — listened. Among them were Hermann Goering, Joachim von Ribbentrop, Field Marshal Wilhelm Keitel, Col. Gen. Alfred Jodl, Grand Admiral Karl Doenitz and Enrich Raeder, Hjalmar Schacht, Franz von Papen, Julius Streicher, Rudolf Hess, Alfred Rosenberg and assorted lesser lights of the Nazi regime.

Train Kills Youth

Albert George Souter, R.R. 1, Sardis, died today at Mission Hospital from injuries received when struck by a C.P.R. train at Agassiz, B.C. Police headquarters were informed this afternoon by radio from their Chilliwack office. An inquest will be held into the death of the 16-year-old youth.

First Grass Fire

Oak Bay firemen in a half-hour battle this afternoon quelled the first grass fire of the season, near the Willows Exhibition grounds.

Water Depths Changed; New Charts Needed

At several points along Vancouver Island's east coast shoreline the sea bottom sank during the June 23 earthquake, officials said here today. Fresh soundings will be taken by the Canadian Hydrographic Survey in the Parksville to Comox area.

Water depth will have to be changed on charts. Several reports have been received by the Hydrographic Office of shifts in sea depths. In one spot near Comox where the water was previously 10 feet deep it is now 48 feet.

At Deep Bay where a tidal wave was created causing the only death in the quake by swamping a boat, the bottom sank from 9 feet to 84 feet at one point.

The waters around Comox are used by many ships, particularly those of the B.C. Coast Service, and it is expected that steps will be taken very soon by the hydrographic service to have new soundings taken. This work will likely be carried out by the Dominion hydrographic steamer, William J. Stewart of Victoria.

Chicago Student Not Yet Charged With Kidnap-Murder

CHICAGO (AP)—Seventeen-year-old William Heirens, University of Chicago student whose finger and palm prints were reported by the Federal Bureau of Investigation to match those on the Suzanne Degnan kidnap-slaying note, spent Independence Day in a jail cell today under \$270,000 bond on 25 charges of burglary or assault.

Police have not charged the youth with the dismemberment slaying of the sixteen-year-old girl last Jan. 7, but State's Attorney William J. Tuohy said evidence on the killing will be presented to the grand jury. Heirens has denied slaying the girl through five days of intermittent questioning by police.

He was bound over to the grand jury by Judge William D. Hartigan in felony court on 21 burglary and four assault with intent to murder charges. Bond was set at \$15,000 on each of the assault counts, and at \$10,000 on each of the burglary counts. Heirens' counsel said no effort would be made to provide bond.

Firecracker Blazes Take Lives of 4

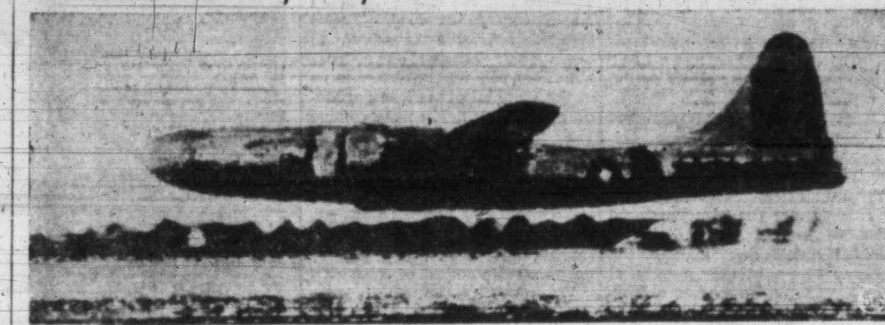

VERA CRUZ, Mexico (AP)—Exploding firecrackers caused a fire here Wednesday night in which four persons perished, Adrian Perez, who escaped with slight burns, said he and his companions were transporting the fireworks in large packages from their factory in a nearby town and they went off during the night.

Takeoff To History: July 1 at Crossroads

Airborne at 5:55 a.m. last Monday, Kwajalein time (11:55 a.m. Sunday, P.D.T.), the B-29 "Dave's Dream" roars over the Kwajalein Island airstrip, carrying the atomic bomb it dropped over Bikini three hours later.

The Secret Is The A-Bomb

Marine guards and barbed wire are security for small building on Kwajalein Island, where a signboard marked "Secret" identifies it as storage spot for the atomic bomb.

Record Rainfall Floods Saskatoon But Boosts Crops

WINNIPEG (CP)—Rain, in some cases preceded by hail, drenched some districts of the prairies Wednesday night with the heaviest precipitation ever recorded in Saskatchewan, swamping that Saskatchewan city.

University of Saskatchewan records showed a total of 3.12 inches fell, three inches of it in an hour and 3 inch in five minutes, almost equalling the .33 inches which fell in an equal time in 1930.

Cellars were flooded, subways filled with nine feet of water and traffic between different sections of the city cut off. One washout was reported on the Canadian National Railway's main line near the city, but it was quickly repaired.

From reports today the storm appeared to be "spotty." The Transport Department's meteorological station at the Saskatoon airport recorded only 43 inch. Overall damage to cellars and gardens was not expected to be heavy and agriculture officials said the field crops should benefit.

Reports of heavy rain came

Fix July 29 For Peace Talks

PARIS (AP)—The Foreign Ministers Council fixed on July 29 tonight as the date for the opening of the 21-nation European peace conference, a British informant said.

Suspect Sabotage At Grain Elevator

QUANAH, Texas (AP)—Fire swept through a wheat-filled elevator here a few hours after Santa Fe Railroad officials had sent out a warning to grain dealers in the southwest Wednesday that they had uncovered rumors of "an organized effort to damage wheat in storage."

Origin of the fire was a mystery. Homer McCreary, manager of the elevator, said he had no idea how it started except that it broke out in the top of the shaft. The building was destroyed, along with 25,000 bushels of wheat.

The Santa Fe's special service department at Amarillo, Tex., instructed all the railroad's agents in wheat states to notify mill and elevator owners of the rumors. The railroad officials said they believed "a radical element on the Pacific coast may be planning to destroy wheat in storage by fire or chemicals."

At Hutchinson, Kas., one of the main wheat centres in Kansas, large terminal elevators and flour mills posted special guards around their properties. Elsewhere in southwest Kansas precautions were taken by elevator operators.

Privy Council Hears B.C.E.R. Tax Appeal

LONDON (CP)—The Privy Council's judicial committee, continuing a panel of Canadian cases, today opened hearing of an appeal lodged by the B.C. Electric Railway Company Ltd. against a Supreme Court of Canada judgment.

The company maintains certain stocks held by non-residents of Canada are non-taxable under the Canadian Income War Tax Act. The exchequer Court of Canada supported the company's contention and dismissed the government's action. The Attorney General of Canada then appealed to the Supreme Court, which allowed the government's suit.

Gas Pipe Line's 'Pressure Push' Kills Workmen

LA SALLE, Ill. (AP)—Five men were killed and six others injured, one critically, today in a 620-pound "pressure push" on a 24-inch natural gas pipe line about three miles north of Peru, Ill.

The dead, all pipe welders, are: Ben Morris, Belvedere, Ill., A. D. Cleary, Geneseo, Ill., James Pretzel, Harper, Ill., Robert Walstrom, Belvedere, and Frank Ingram, Geneseo.

The accident occurred in a corn field where the workmen had removed a 30-foot section of the pipe line preparatory to installing connections for a future extension.

The pipe line extends from Texas to Chicago and eastern points.

Deaths from accidents mounted slowly today as the United States started a four-day holiday which the National Safety Council forecast would produce 800 immediate deaths.

Fatalities reported from traffic, drowning and miscellaneous causes totaled 34. Most of the deaths resulted from traffic accidents as the sunny, cool weather attracted throngs of city dwellers to celebrate Independence Day with drives into the country or to lake and seashore resorts.

Traffic deaths totaled 24, drownings 7 and miscellaneous 3.

**A.F.L. Council Asks
Mayor To Call Meet
On Public Ownership**

Mayor Percy George will be
asked by the Victoria and District
Trades and Labor Council to call
a public meeting at which public
ownership of utilities may be dis-
cussed.

The council decided on this
action at a meeting Wednesday
night at which it was also de-
cided that Alderman H. M.
Diggon, chairman of the Greater
Victoria transportation commit-
tee, be invited to address the
council on his findings on public
ownership while in the east. The
council also reiterated its pre-
vious stands endorsing the prin-
ciple of public ownership and
backing the maintenance or im-
provement of working conditions
of all employees who might be
involved in the possible change
of ownership of public utilities.

A committee was struck off by
the council to make a report on
the effect of the rising cost of
living on the living standards
of pensioners. Pensioners will
be questioned as to the effect of
the increase in prices.

This action followed representa-
tions made by William Mc-
Laughlin, delegate of the Sea-
farers' International Union of
North America.

Now that the International
Woodworkers of America (C.I.O.-
C.C.L.) strike has ended, the
council felt a greater supply of
lumber should be available. This
conclusion was reached following
study of statistics given in
publicity of Stuart Research Ser-
vice Ltd. negotiating agency for
147 of the largest coast opera-
tors.

George Wilkinson, secretary of
the council, outlined the activi-
ties of the organizing committee,
reporting progress had been
made in organizing a number of
local employee groups.

V. Baines, representative of the
International Typographical
Union, gave a detailed account of
the strike now involving the
Vancouver Daily Province's me-
chanical staffs.

Local No. 1 of the Vancouver
City Fire Fighters, informed the
council it greatly appreciated the
assistance given by Mr. Wilkin-
son and the council in efforts
to secure the 48-hour work week.

Harold Thayer, reporting on
the Veteran-Labor Consultative
Committee meetings, said all
present were gravely concerned
about the rising cost of living
and were seeking further data.

bers only.

Retiring Admiral Takes Cadet Salute

Fifty graduates of the naval college march briskly past the saluting base as Rear-Admiral V. G. Brodeur, C.B., C.B.E., R.C.N., commanding officer, Pacific coast, takes the salute.

Slim, erect and keen, 50 cadet
graduates at the Royal Canadian
Naval College at Royal Roads
stepped over the threshold to
begin their careers as officers
with Canada's war-hardened navy
in the colorful peacetime gradu-
ation ceremony held at the college
Wednesday.

Rear-Admiral V. G. Brodeur,
C.B., C.B.E., R.C.N., commanding
officer, Pacific Coast, in one of
his last official duties before his
retirement Aug. 1, after 30 years'
service, addressed the graduates
on the early days of Canada's
navy, recalling the small force,
and its rise to shining achieve-
ments during World War II.

He reminded them of their
new responsibilities, to the wel-
fare of personnel under their com-
mand and the efficiency of their
ships. "During the war," he said,
the Canadian navy had grown to a
size and efficiency beyond any-
one's fondest dreams, and he
urged the graduates to do their
part in maintaining that effi-
ciency.

TO GET APPOINTMENTS

As proud parents and friends
watched, the graduates stood for
inspection, marched past, and
gave a display of physical train-
ing. Of the graduates, 20 are
R.C.N. officers, who, with 10 of
the 24 R.C.N.R. graduates, will be
appointed to R.C.N. and R.N.
ships and shore establishments
if they pass the rigid medical
examinations.

toria Chess Club, D. A. Yanofsky,

Canadian chess champion, Win-

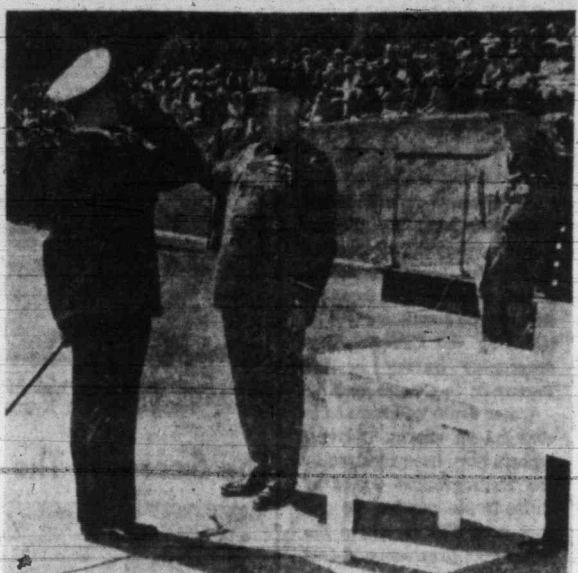

ipeg, will give a simultane-

ous display of 30 boards against

Victoria's chess players at the

MacDonald Hall, 738 Fort Street,

Saturday, July 6, at 7.30 p.m.

Two boys from Victoria face each other as Cadet R. C. K. Peers
salutes smiling Air Vice-Marshal J. L. Plant, C.B.E., air officer com-
manding, Western Air Command, who presented him with the Nixon
Memorial Sword of Honor, awarded the cadet with the highest
officer-like quality mark on graduating. Air Vice-Marshal Plant
attended Victoria High School before he was graduated from Uni-
versity of B.C. and began his meteoric rise in the air force. Mid-
shipman Peers left Oak Bay High School two years ago and entered
naval college.

R.C.N., commanding officer of
the college, also addressed the
graduates.
Air Vice-Marshal J. L. Plant,
C.B.E., air officer commanding,

Western Air Command, pre-
sented awards and athletic prizes
to the graduates during the cere-
monies and gave words of com-
mendation.

**Ald. Diggon Will Ask Province
To Set Up Transportation Board**

A request will be made to the
cabinet shortly for legislation to
set up a transportation board for
the unified transportation sys-
tem of Greater Victoria, Alder-
man H. M. Diggon, chairman of
the Greater Victoria Transpor-
tation committee, said today.

With E. S. Farr, transportation
consultant, Alderman Diggon is
interviewing B. C. Brucewell,
deputy minister of municipal af-
fairs, to request an appointment
with the cabinet. At the same
time the cabinet will be asked to
look over the terms of the pro-
posed franchise and approve
them before any call for tenders
is made.

"Things are moving along
quickly now," Alderman Diggon
said, "and we want to be sure to
get all details settled before we
actually call for tenders so
there will be no further delays
once that is done."

He said that he had been given
to understand that the Public
Utilities Commission had ap-
proved the terms of the pro-
posed specifications in general.

"Our next step is to get the
committee of five appointed by
the municipalities," he explained.
"To handle the specifications and
get the call for tenders out. It
may be necessary for the city to
amend its transportation by-law
so that the wording will conform
with the by-laws passed by Oak
Bay and Saanich." He indicated
that this would mean no change
in principle for the by-laws, but
it would be preferable for all
four municipalities to have by-
laws with identical wording.

The five-man committee will
act on behalf of the four munici-
palities in transportation mat-
ters until the necessary legisla-
tion can be passed by the provin-
cial government to set up the
board, Alderman Diggon said.

**Soviet Soldiers
Fix Curzon Line**

BIALYSTOK, Poland (AP) —
Russian soldiers drove stakes
along the eastern Polish frontier
Tuesday, indicating permanent
establishment of the Curzon Line
as the frontier.

Russian and Polish commis-
sioners have made minor rectifi-
cations of the line in a five-kilo-
metre area.

A tally of ballots in the Sun-
day referendum indicated most
voters of Bialystok province had
expressed resentment over oc-
cupation of Lwow and Wilno to Rus-
sia under the territorial change.

Weather

During the past 24 hours a
ridge of high pressure extending
over southern B.C. has held fair
weather over that area. A weak
disturbance now moving across
the Queen Charlottes is expected
to continue its eastward motion
across the province during the
next 24 hours, and will move
into Alberta tomorrow. Increas-
ing cloudiness and intermittent
rain or rain showers are associ-
ated with this disturbance.

Victoria and vicinity—Increas-
ing cloudiness during the day, be-
coming overcast in the afternoon
and evening. Cloudy tonight and
Friday morning, clearing during
the day. Intermittent rain or
rain showers this afternoon.
Winds south westerly 15, becoming
southerly 20 this afternoon and
westerly 20 during the night.
Little change in temperature.

Vancouver and vicinity and
lower Fraser Valley—Increasing
high cloud during the day, be-
coming overcast in the after-
noon and evening. Intermittent
rain or rain showers this evening.
Cloudy tonight and Friday morn-
ing, with widely scattered show-
ers, clearing Friday afternoon.
Winds light at first, increasing
to south westerly 10 on Friday.
Cooler.

Georgia Straits—Overcast, be-
coming cloudy in the evening.
Cloudy on Friday morning, clear-
ing in the afternoon. Intermittent
rain this afternoon and widely
scattered rain showers, tonight
and Friday morning. Winds in-
creasing to south easterly 15
m.p.h. this afternoon, becoming
westerly 15 this evening and de-
creasing to light on Friday. Little
change in temperature.

West coast Vancouver Island
—Overcast with intermittent
rain, becoming cloudy with rain-
showers in the afternoon and
evening. Overcast on Friday
morning, clearing in the after-
noon. South easterly winds 15
m.p.h. in the afternoon and de-
creasing to light tonight. Little change
in temperature.

GOOD BAKING EASIER**

USE Robin Hood FLOUR

THE CHOICE OF 4 OUT OF 5 WOMEN

WHO WIN PRIZES FOR HOME-BAKING*

*All kinds of baking... bread, cakes, pastry.

Robin Hood Flour

Milled from Washed Wheat

In Canada's newest and most modern flour mills

**Use French's
in the making!**

It's the mustard that makes the difference
... in a sandwich—a salad—a sauce!

**French's
MUSTARD**

THE FLAVOUR'S DIFFERENT!

FOR THE LUNCHEON
1 cup chopped or
ground cooked
frankfurters with 4
tbsp. French's Mus-
tard and 2 tbs. pa-
stey sauce. Spread
generously between
slices of cracked or
whole wheat bread.
(French's adds zest
to cheese and egg
fillings too!)

QUICK DRESSING
A delicious salad
dressing.
4 tbs. French's
2 tbs. light cream
2 tbs. sugar
2 tbs. vinegar
1/4 tsp. salt
An enticing dip to
flavour cooked or
raw salads.

SOME SAUCE
Try it on lettuce.
Blend 1 tsp. melted
butter with 2 tbs.
boiling water and 2
tbs. French's Mustard.
Cook until thick.
Add 5 tbs. Wor-
cestershire sauce.
Pour on lettuce
and heat.

Pruritis—Intense Itching

Relieved quickly by this
Medicinal Ointment

There are two forms of itching which are
especially distressing. First pruritis vulvae—
from which only women suffer and second
pruritis ani—itching at the rectum from piles,
pin worms or varicose veins.

The causes of both these forms of intense
itching are often difficult to locate but what
you do want, at once, is relief from the
severe and depressing itching.

Then let Dr. Chase's OINTMENT help
you for it brings relief almost as quickly as
applied. Once used it will always be kept at
hand for quick use when the need arises.
60 cts. a box. Economy size jar \$2.00.

Dr. Chase's Ointment

**Nothing Easier - Quicker - than
JAM and JELLY MAKING
with CERTO**

**You get 50%
MORE JAM or
JELLY
from your fruit**

**And Certo makes such
Delicious Sparkling
Jams and Jellies**

CERTO

**SHORT BOIL
SAVES
TIME - ENERGY**

**ONE-HALF MORE
JAM OR JELLY**

**FRESH FRUIT TASTE
NATURAL COLOUR**

**NO GUESS WORK
NO FAILURES**

WHAT CERTO IS

**Look for Book
of Tested
Recipes under
the label of
every Certo
bottle.**

Certo is a time and work saver
because Certo jams need only a
one to two-minute full rolling
boil... jellies only a half-minute
to a minute. The Certo way is the
sensible, modern way for a busy
housewife.

In this short boil practically no
precious fruit juice goes off in
steam. You get up to 50% MORE
jam or jelly from the same amount
of fruit than by old-fashioned
long-boil recipes. What a help
that is!

The Certo boil is too short to spoil
the fresh fruit taste or dull the
natural colour. The delicious fresh
taste and lovely colour of the fruit
itself are retained.

There's a book of tested, easy-to-
follow recipes with every Certo
bottle—a different recipe for each
fruit. For better jams and jellies
follow the recipes exactly and be
sure of success.

Certo is fruit pectin—the natural
jellying substance in fruit—ex-
tracted from fruit in which it is
most plentiful.

A pound of jam or jelly made
with Certo contains no more sugar than
a pound made the old, long-boil way.

Divorce Record
VANCOUVER (CP)—A new monthly record for divorces in Vancouver was set in June when 219 marriages were dissolved, court records showed today. This topped by 87 the city's previous high of 132 divorces last November.

Total of divorces granted in Vancouver in the first six months this year was 742 compared with 500 in the corresponding period of 1945.

Birds were used to carry messages as long ago as 218 B.C.

Americans Crowd City In Celebration Of Holiday

With U.S. tourist travel to Victoria already hitting an all-time high this year, travel agencies, sightseeing companies, hotels, curio shops and other merchandise stores were booming today as U.S. tourists streamed up from the south today to celebrate Independence Day.

First contingent of tourists appeared on Victoria streets this morning as the ferry Iroquois, packed to capacity with passengers and cars, debarked her overnight travelers from Seattle at the Canadian Pacific Railway docks. Passenger cars jammed the docks for some time before the tourists got on their way for their holiday here.

The C.P.R.'s Seattle boat carried a capacity crowd and the Black Ball Ferry Line's Kalakala came in from Seattle packed, before going on to Port Angeles to pick up other American holidaymakers.

Special customs and immigration officers went out to cope with the heavy influx of travelers on the Sidney-Anacortes ferry.

Hotels Booked Full
City hotels reported they were booked right up to the hilt. Many received reservations weeks ahead and were not able to cater to all tourists who came here and wished to spend more than the day.

Sightseeing companies continued regular tours but had extra equipment on the run in anticipation of the heavy travel.

Many expected today to end up a record day for U.S. tourist travel in Victoria.

Vancouver Island Coach Lines Ltd. expected travel on up-island runs to be heavier than usual, but anticipated heaviest travel would be on the sightseeing tours.

Raising of Wages Brings Increases In Hospital Rates

Wage increases for nurses which went into effect July 1, were said today to be the primary reason for higher hospital rates, some of which are in effect now. Others will become effective some time this month.

No change has been made at St. Joseph's Hospital yet, but ward rates will increase from \$3.50 a day to \$4 a day and private room rates from \$5 to \$6 a day, sometime this month, Sister Superior said today.

"High cost of living and nurses' wage increases are reasons for the increase in rates," the Sister said.

Charles Morrison, secretary of Royal Jubilee Hospital said ward rates had increased from \$3.50 to \$4 a day, July 1.

"Such an increase brings us in line with lower mainland hospitals which raised their rates June 1," he said. "There was no change in the private room rates, as they were changed in May."

There was no uniform increase in private room rates at that time, but rooms were reclassified as to value with maximum increase of 50c a day on some, Mr. Morrison said.

The new wage increases and 44-hour work week went into effect July 1. A 44-hour work week has been in effect at St. Joseph's for some time, Sister Superior said.

Hotel Transferred
NANAIMO (CP)—Malaspina Community Hotel, waterfront landmark here since 1927 when 400 original shareholders, largely local, brought it into being, formally passed into the private ownership of George Randall and H. J. Enoch, both of Victoria, Wednesday night.

Lifting Of Controls In U.S. May Prove Boost To B.C. Markets

The lifting of price controls in the United States is going to provide big markets for British Columbia manufacturers and exporters but at the same time may create shortages of materials here and make it more difficult for Canada to maintain price ceilings.

Economists here today predicted United States markets would be crying for all kinds of British Columbia products, while products which British Columbia has been buying in the U.S. may increase in price. At the same time British Columbia, like the rest of Canada, will prove more attractive to American tourists since their inflated dollar will go further here.

Greater difficulty in enforcement of customs regulations at the U.S.-Canadian border was foreseen, with U.S. tourists to Canada having more incentive than ever to smuggle Canadian-purchased products into the U.S.

The lifting of price controls in the U.S., if not reinstated, may lead to a raising of the value of the Canadian dollar, perhaps to a par with the U.S. dollar, as it was before the war, or even higher, one economist predicted.

Since it must be assumed that

there is a limit to which the Canadian government is willing to subsidize articles and products imported from the United States, prices of these products must go up or further curbs of their importation effected, if the price ceilings are not returned in the U.S.

Even if United States were to raise new or higher tariff walls to Canadian goods, some British Columbia products, because of the higher prices available in the U.S., may flow over these walls to the United States, this authority believed.

Create Lumber Shortage Here
It was suggested the lifting of the price controls may make the lumber shortage in British Columbia more acute than ever since B.C. operators will get better prices than previously.

In 1945, the latest period for which statistics are available, British Columbia shipped more than \$20,000,000 worth of forest products to the United States. These included, in round figures, \$7,000,000 worth of cedar logs, \$3,000,000 worth of cedar planks and boards, \$1,000,000 worth of Douglas fir planks and boards, \$500,000 worth of spruce planks and boards, \$3,600,000 worth of shingles, almost \$4,000,000 worth of pulp wood, pulp and similar products used in making paper, and \$10,800,000 worth of newsprint.

British Columbia distilleries will be further enticed to send whiskies to the United States so that the export of whiskies this year may even exceed the \$4,000,000 worth shipped in 1945.

In 1945 British Columbia shipped \$500,000 worth of apples, \$100,000 worth of fresh vegetables, \$1,000,000 worth of peat moss, \$200,000 worth of pure bred cattle, \$700,000 worth of sheep and \$1,500,000 worth of raw skins to the United States.

Fisheries products shipped to the U.S. in 1945 included \$200,000 worth of fresh clams, \$300,000 worth of cod fillets, \$791,000 worth of fresh salmon and \$300,000 worth of other kinds of fish.

British Columbia's mineral exports to the U.S. in 1945 included \$250,000 worth of scrap iron, \$126,000 worth of scrap aluminum, \$2,000,000 worth of copper ore, \$248,000 worth of lead ore, \$20,000 worth of silver ore, \$235,000 worth of zinc, \$200,000 worth of lime, and roughly \$200,000 worth of fertilizers.

All these products and hundreds of others which British Columbia has been exporting become more difficult to obtain here since larger proportions of them in the future may go to U.S. markets.

On the other hand price articles which B.C. imports from the United States may go up.

Big items in these imports included in 1945 \$620,000 worth of magazines and newspapers, \$2,500,000 worth of tin plate, \$1,200,000 worth of wire for wire rope, \$600,000 worth of diesel engine parts, \$1,400,000 worth of logging machinery, \$1,800,000 worth of traction engines and parts and \$1,800,000 worth of other machinery.

STIMULATE PRODUCTION
Britain has made a strong bid to increase her exports of these products to British Columbia, and may in the future, if the price controls in the U.S. are not replaced, supply more of these products to this province. On the other hand, since prices of these

Tram Strike Ends In San Francisco

SAN FRANCISCO (AP)—Municipal streetcars and buses began rolling here today at 12:01 a.m. P.S.T., four days to the minute after C.I.O. and A.F.L. carmen had struck the transit system in support of their demand for higher pay.

The strikers returned to work after they were promised 14 cents an hour more for carmen and nine cents more for bus drivers if the municipal voters agree.

Released By Jews

JERUSALEM (CP)—The Palestine government announced tonight that all three British officers held as hostages by Irgun Zvai Leumi, Jewish underground organization, were released in Tel Aviv today. They are Capt. G. C. Warburton of the 4th Parachute Battalion, A. E. Taylor of the 17th Parachute Battalion and A. H. Spencer of Leeds, Eng.

The British army disclosed during the day that 50 of the

2,718 Jews arrested during the week had been released from the Rafa prison camp in southern Palestine and said others would be freed later.

Call Rail Strike

CHICAGO (AP)—The Brotherhood of Railroad Trainmen called a strike for July 26 against the Illinois Central system — only class 1 railroad in the United States exempted from the May railroad strike because it was then under government control.

THE Song of Success IN HOME CANNING

BERNARDIN "Bing Test"

Protection... Convenience... Economy And the "Bing Test" proof of a tight seal!

The "Bing Test" is simple. 24 hours after canning, remove the screw band and tap each lid. When you hear the musical sound "B-I-N-G!", lift jar gently by lid to see that it holds the jar's weight. This "double-check" proves the seal is right! Bernardin Lids have triple protection—tin, over heavy gauge steel, then a coating of sanitary gold lacquer, and over all, food acid-resisting white enamel.

PEACETIME GRADUATES

THE GLOWING CHAPTERS OF HERO-
ism on the part of Canadians who fought
at sea in the Second World War are too
recently inscribed in the Dominion's history
to need any recapitulation here. They are
well known to citizens in general and to
the young men who yesterday graduated
from the Royal Canadian Naval College in
particular. The tremendous achievements in
organization, too, which raised the force
from what Rear-Admiral V. G. Brodeur in
his address to the cadets said some had called
a "tinpot navy" to its wartime strength are
fully appreciated. It will, nevertheless, be
the hope of Canadians that their sons will
not be called upon to go forth to battle
again, will not be required to display in com-
bat the high ability and supreme courage
which marked their contribution to victory
on the Atlantic and other oceans.

It was well, therefore, that Admiral Bro-
deur should direct the attention of the young
men, who have completed one phase of their
naval training and will shortly embark upon
another, to the role they will play in the
peacetime navy. As unofficial ambassadors
to the lands to which their duties take them
they will have an important responsibility to
meet, "Canadians will be judged by your
actions and manners," as the admiral told
them. But more important than that was
the emphasis the commanding officer of the
Pacific Coast laid upon their obligations to
care for the welfare of their men. Coupled
with the efficiency of their ships, that
formed the twofold responsibility they would
shoulder. The two go hand in hand.

The traditions inherited by the future
officers are inspiring. The loyalties of the
navy are enduring. And while this com-
munity and those others across Canada re-
presented by the graduates at Royal Roads
join in wishing the class of 1946 success
in their future efforts, they may count on
the maintenance of that standard which won
universal acclaim during the time of trial
which ended last year. And because the
young men are first of all citizens of a de-
mocracy and secondly candidates for of-
ficers' posts, they may expect adherence to
the maxims which Admiral Brodeur laid
down.

PHILIPPINE INDEPENDENCE DAY

ONE DAY SHORT OF THE FIRST ANNI-
versary of its official liberation from
the Japanese enemy, the Philippine Com-
monwealth becomes an independent re-
public of sovereign equality among the nations
of the world.

This happy occasion is made doubly
happy by the circumstances of its occur-
rence. The date of Philippine independence
was decided upon 12 years ago. No one
then could have imagined the tragic period
which lay ahead for the commonwealth and
its protector nation. Or, if that period could
have been foreseen, few would have believed
that the promise of independence could be
realized now.

The Philippines' independence day dawns
upon many parts of the world where free-
dom and independence are still in doubt.
On their own side of the globe the Filipinos
see civil strife in a free neighbor nation and
serious unrest among the colonial peoples of
the east. Elsewhere in the world the pres-
sure of the strong upon the weak is not
abated. All of which must make their com-
plete freedom even more precious.

INSPIRED OR ASPIRING?

WESTERN BUSINESS AND INDUS-
try," published in Vancouver, is an ex-
cellent monthly, ably edited. Its current
issue is an especially interesting one to
"Canadian Executives"—for whom the mag-
azine proclaims its solicitude—because the
veteran parliamentary correspondent and
versatile author, Mr. Austin Cross, has used
up a good deal of space for an article on
Mr. James Sinclair, federal member of the
House of Commons for North Vancouver.

The meat of the Ottawa writer's thesis
resides in his obviously inspired suggestion
that the young M.P. from across Burrard
Inlet is virtually on the verge of succeeding
Hon. John Hart as leader of the Liberal
Party in British Columbia. And he goes on
to say that "all the Liberals have to do
then is to hang on, and we'll live long
enough to write letters addressed to Hon.
James Sinclair, Premier of British Columbia,
Parliament Buildings, Victoria." The quoted
part of the sentence is the conclusion of
the article. It begins this way:

"Those who read the political tea cups in
these parts say that the ticket of James Sinclair,
Liberal member for Vancouver North, is punched
—'Victoria.' Thus will pass from the Ottawa
scene a picturesque figure, a sparkling person-
ality, an incorrigible Scot and a really indepen-
dent Liberal."

The soothsayers also have it here that James
Sinclair will be the next leader of the Liberal
party in British Columbia. Not to put too fine
a point upon it, we may wake up some morning,
any year now, and read about Premier Sinclair.
Could he?

So we have in this corner Howard Green,
popular Progressive Conservative from Vancouver

South, and in the other, James Sinclair, popular
Liberal from Vancouver North. Perfectly matched,
this looks like a future.

As might be expected by those who are
familiar with the inimitable style which
marks the writings of Mr. Cross, the article
is lavishly interlarded with good humor,
anecdote and sly digs at familiar govern-
mental and other figures on Parliament Hill.
Despite all the verbal garnishings, however,
it will be obvious to students of British Co-
lumbia's political scene that the author is
reflecting the wishful thinking of certain
Liberal members of the House of Commons
from this province who have made no secret
of their antipathy to the Coalition arrange-
ment—which the people overwhelmingly en-
dorsed at the polls less than nine months
ago. None questions the basic liberalism
for which Mr. Sinclair assumes to stand—
a philosophy in its fullest sense that knows
no boundaries—and his independent attitude
of mind credited to him by Mr. Cross is in
no way incompatible with any true Liberal's
interpretation of his creed. On the con-
trary, one of the principal tenets of genuine
liberalism is its frank concession to inde-
pendence of action.

However, apart from the fact that groom-
ing Mr. Sinclair for Mr. Hart's role is some-
what premature, and regardless of whether
the "incorrigible Scot" is ready to sacrifice
his partisan politics and personal ambition,
the author of the article under discussion
and the North Vancouver member himself
know, or should know, that the great ma-
jority of the people of British Columbia are
in no mood for a return to the needless and
pointless old party squabbles—a condition to
which "Western Executives" also said good
riddance in 1941.

The members of the Legislature who
come from the two major parties and are
working harmoniously together in the best
interests of the province are well aware,
moreover, that Mr. Sinclair has been one of
the most vociferous opponents of the Coali-
tion system of provincial administration.
But he has a right, of course, to manifest
his hostility to it as he thinks fit. He is
thus exercising his claim to independence.

SAANICH MOVES AHEAD

CITIZENS OF THE ENTIRE COMMUN-
ity of Greater Victoria will join those of
Saanich, who are particularly interested in
the question, in hopeful scrutiny of future
developments in that municipality's plans
for an urban sewer system. The proposed
project, for which a million-dollar outline has
been drafted, is a matter of joint concern.
Generally considered as a measure of vital
importance from a health standpoint, its
construction would relieve a condition which
has frequently caused apprehension not only
in that district which is administered from
Royal Oak, but from contiguous territory to
which the dangers of possible epidemic
might spread.

There will be no inclination on the part
of her neighbors to expect Saanich to em-
bark hurriedly on this undertaking. Even
under arrangements which might entail no
more than one and one-third mill increase in
the tax rate, a million-dollar job is not one
to be undertaken lightly. It will, however,
be the earnest hope of the district that action
will not be delayed too long.

In addition to providing a service for
which the municipal leaders have long seen
the need, the construction of a sewer system
in Saanich would serve as a valuable factor
in encouraging other municipalities to adopt
courageous courses in embarking on pro-
jects too long delayed. Nor need the reeve and
councillors worry seriously over the ability
of their district to finance the work. The
healthy growth of urban Saanich as a resi-
dential district bespeaks for it a sound and
sustained municipal bank account.

As extreme scarcities are eased, more-
over, material will become more readily
available for the work that could not be
undertaken when the war was in progress
or during the period of readjustment which
followed immediately the close of hostilities.
Now, however, conditions are becoming more
propitious and Saanich is in a position to
overcome a serious municipal disability and
at the same time furnish a lead in enterprise.

CANADA'S TRAINED LEADERS

ONE OF THE MOST SIGNIFICANT
truths which the all-party complimentary
dinner tendered to Mr. Mackenzie King re-
cently served to emphasize was the rela-
tively large number of highly-trained politi-
cal leaders of which Canada may pardonably
boast. All parties have men still young, in
years but old in experience gained through
difficult war and prewar periods.

Progressive Conservative Leader John
Bracken has to his credit 20 years as a pro-
vincial leader, which included most of the
first two years of the second world conflict.
C.C.F. Leader Coldwell has borne nearly all
the weight of the national direction of his
party for more than 10 years of diverse and
worldwide political problems. A large num-
ber of men in the Liberal Party have gained
outstanding experience in peace and war as
parliamentary assistants and cabinet min-
isters handling all the difficult national and
international problems that are encountered
in the Departments of Justice, Munitions and
Supply, Reconstruction, Finance, Agriculture,
Veterans' Affairs, National Defence,
National Health and Labor. There are also
at least three of the five Liberal provincial
premiers with wide experience.

It may be doubted if any country in the
world has as large a number of highly-
trained leaders and potential leaders in their
political parties as Canada has today. In
other words, when, in the fulness of time,
Mr. King decides to doff his mantle, he will
be able to do so with the knowledge and satis-
faction that he has capable men ready to
follow in his footsteps.

Walter Lippmann

(The following article was written by Mr.
Lippmann before the decision reached in
Paris as to the future of Trieste and the
demarcation of the Italian-Yugoslav border.)

THE LESSER OF TWO EVILS

THE REAL QUESTION at Trieste is how
best to postpone the final settlement of
the frontier between Italy and Yugoslavia.
For no final settlement can be made at
this time, and Mr. Byrnes' task is to work
out the best provisional arrangement for
a period of years.

Trieste, let us recall, is now occupied
by British-American forces. They are stand-
ing guard on the so-called Morgan line hold-
ing Tito's army in check. The Italian
Republic, with our full support, has taken
the position that it will not cede Trieste
to Yugoslavia. Tito's government insists it
will not renounce its claim to Trieste.

To make a final settlement which leaves
Trieste within Italy, Mr. Molotov would
have to give a binding pledge not only that
he would compel Tito to agree but that the
Soviet Union will see to it, as policeman of
the United Nations, that Tito's troops will
not seize the city. Failing that, there is no
way by which Italy, which is to be disarmed
and demilitarized, can hold Trieste. It cannot
be held by a disarmed Italy. British-
American forces will have to continue for
an indefinite period of time to hold it for
Italy.

THE PROOF that the settlement cannot
now be a final settlement is that the
British-American forces cannot be evacuated
from Italy until and unless the Soviet gov-
ernment agrees to change Tito's mind and
to keep it changed.

No settlement of this sort can now be
had at Paris. Therefore, in the present
relations of the great powers, Mr. Byrnes
cannot at one and the same time (a) disarm
Italy, (b) withdraw the American troops,
and (c) give Italy effective possession of
Trieste.

His alternatives, barring a surrender to
Tito, which he cannot even consider, are:
(1) to invite and then to help Italy to re-
arm before evacuating the American forces,
or (2) to maintain American forces in the
disputed area for a good many years to
come.

THE HUB OF THE PROBLEM is whether
they should stay there under the present
armistice arrangements, or whether they
are to stay there under a treaty which has
been ratified by all the United Nations. If
they stay there as at present, the whole
burden of guarding Trieste falls upon Brit-
tain and America. Italy and Yugoslavia
will still be legally at war. We shall still
be legally at war with Italy although we
are guarding her frontiers. The other United
Nations, which are not parties to the armis-
tice, will have no rights and no responsibil-
ities in the maintenance of law and order.

This will be most unsatisfactory in that
it not only does not settle the issue at
Trieste but it will prevent any peace settle-
ment with Italy. The other solution, the
best attainable in the circumstances, is a
provisional arrangement for a period of
years. Such an arrangement would put the
disputed area under international control
until, by eventual agreement between Italy
and Yugoslavia, or by a plebiscite, or by
arbitration, a final settlement is reached.

THIS is not a good solution, as we can
readily see when we remember that it
also will require the presence of British-
American forces on Italian soil for a good
many years to come. But it is a considerably
better solution to maintain those forces
there under an international treaty than it
would be to maintain them, as at present,
under an armistice. The treaty will at least
regularize the local position of all the powers
and enable Britain and America to distribute
the disagreeable burden of policing the area.

It will also permit us to move on to other
European questions which are even more
important than this one. We shall have
agreed to postpone the final settlement since
we cannot get a final settlement now.

There is nothing unusual about that. A
peace conference after a great war is almost
never able to settle finally every dispute,
and where it cannot, the choice is to wreck
the whole peace conference or to make a
provisional settlement where no final settle-
ment is possible. The peace conference of
1919 was unable to make final settlements
of the frontiers of Poland, of Germany, of
Russia, or for that matter of Italy and Yugo-
slavia. In some cases it let nature take its
course. In others it devised interim arrange-
ments.

ALL that can be said for these arrange-
ments is that they are often the lesser
of two evils. For the only alternative to a
provisional arrangement may be to continue
in a state of war under an uneasy truce.
That is in fact the only alternative to an
international arrangement at Trieste.

Quoting

We acknowledge need for correction, But
the need for correction does not warrant or
excuse criticism inspired either by igno-
rance, or even worse, an intent to discredit
an instrument of the people that has at least
once in every generation stood between those
people and disaster—Gen. Eisenhower.

If the British and Russian peoples can
march forward side by side in a firm alliance,
peace in Europe is assured. If not, the worst
might happen and the dark horses in Ger-
many yet achieve their evil dream of world
domination—Hugh Dalton, British Chancel-
lor of the Exchequer.

Letters to the Editor

FOOD AND MAIL COSTS

I think we all realize the
necessity of sending food parcels
to England, and what we
also realize is the exorbitant
postage rates. Cannot some-
thing be done about it? I have
been informed the matter is
under control of Postmaster-
General at Ottawa. I would like
to suggest that all heads of
organizations in Victoria send
telegrams to the Postmaster-
General at Ottawa asking for
reduction of rates for sending
food parcels to England.
G. A. BENNETT.
1189 Newport.

ORCHIDS TO "LASSIES"

When our band was in Port-

them:

Jolly Joan Restaurant,
Portland, Oregon.
Dear Mr. Michos:
We were in your restaurant
today and I want to tell you
how much we enjoyed ourselves.
One of the sweetest things
we've ever heard was all the

little lassies from our good
neighbor city, Victoria, B.C.
They certainly are a feature at-
traction for our wonderful Rose
Festival. Yours very truly,
Mr. and Mrs. G. D. Smith,
3332 N.E. 43rd Ave., Port. Ore.
CORA MAYHEW,
Secretary, Victoria Girls' Pipe
Band and Concert Party.

WHAT OF THE FUTURE?

The price ceilings are off and
the macabre dance of inflation is
on. Are the ominous signs of por-
test which presaged the disaster-
ous financial debacle of 1928, so
remote that we can afford to
indulge in such another bac-
chanalian orgy of "Hurrah
for today—to hell with tomor-
row," psychology? Never was a
greater challenge thrown to
management and labor as the
present state of our economic
existence now presents.
Unless these two representa-
tive forces, which make up our
national industrial life, agree to
approach this vital question in a
spirit of genuine compromise,
they, and they alone, will be
responsible for the greatest depres-
sion this continent has ever
known.
There can be no evading the

Borden's EVAPORATED MILK

Late Sid Thomas Honored By Many At Funeral Rites

Funeral services were held in Christ Church Cathedral and at Royal Oak Burial Park Wednesday afternoon for Samuel (Sid) Thomas, former sports editor of the Daily Colonist, who died Sunday in Royal Jubilee Hospital.

Personal friends, associates and representatives of many public bodies and sports organizations in Victoria joined to pay final tribute to a man who was one of Victoria's most ardent supporters of amateur sport for more than two decades.

The late Mr. Thomas was a leader in the organization and administration of sports leagues.

Rev. T. L. Leadbeater conducted the service at the cathedral, where "Peace, Perfect Peace" and "Rock of Ages" were among the hymns. An Eagles' memorial service, conducted by Cecil Holt, vice-president, and E. Modishaw, chaplain of Aerie No. 12, followed at Royal Oak Burial Park, where cremation took place.

The wealth of floral tributes which followed the casket to Royal Oak, reflected the high esteem in which the late Mr. Thomas was held in city sports circles.

Representing the City Council at the funeral were Aldermen Edward Williams, F. G. Mulliner and D. D. McTavish.

Palbearers were Edward Taylor, Victor Sandford, William Bridgewood, Thomas Taylor,

Australian Readers Have Same Tastes As Canadians, U.S.

Reading tastes of Australians are very similar to tastes of readers here and in the U.S., according to Rowland P. Morris, executive vice-president of Morris & Walker Ltd., Victoria, Australia, who is visiting here en route to eastern U.S. points, England and Switzerland.

Mr. Morris, whose business is printing and publishing, said most of the popular magazines here were also favored in his country. In order to get early publication of North American magazines, his firm in Australia is photographing copies of magazines flown over from North America and then using the photo-engraving method, for reproduction, rather than utilizing the longer process of setting up new type. The result is, he said, that publications appear on Australian magazine stands only about a week later than they appear here.

PARACHUTE CONTAINER

During the war, Mr. Morris played a leading part in the development of a new container for parachute supplies to troops fighting against the Japanese. Named Storpado, the new container was built entirely of cardboard, with a specially designed percussive nose of cardboard to absorb the shock of landing. After development of the Storpado was perfected, planes were able to drop even fragile goods such as eggs, light bulbs and radio tubes.

The Storpado was equipped with a small parachute 12 feet in diameter, which allowed it to make a rapid and accurate descent.

The Storpado was officially adopted by the Australian army and was used extensively by U.S. forces fighting in the Pacific.

CANADIAN NEWSPRINT

The majority of newsprint used in Australia is imported and the majority of the imported paper comes from Canada, Mr. Morris said. In December, 1945, Australia imported 9,233 tons of paper, 9,120 tons, or approximately 99 per cent of it, going from Canada.

Candidates Named In Portage La Prairie

PORTAGE LA PRAIRIE, Man. (CP)—A Progressive Conservative nomination convention here Wednesday night named C. C. Miller, Portage la Prairie lawyer, as Progressive Conservative candidate in the Portage la Prairie federal by-election.

No date has been set for the polling. The Commons seat was left vacant by the death of Harry Leader, formerly Liberal member for the constituency.

Earlier this week a C.C.F. convention nominated Sydney Coulthard, apiarist-farmer from Bagot, Man., as C.C.F. candidate. As yet no Liberal nomination has been made.

Chaplin Petitions For Review of Case

LOS ANGELES (AP)—Comedian Charles Chaplin has petitioned the California Supreme Court to review a judgment that he is the father of Carol Ann Berry, 2½-year-old daughter of his former protegee, Joan Berry. He is appealing from a finding of the state court appeal which upheld a Superior Court judgment in favor of the child.

Wednesday's Bride Gowned In White

One of the prettiest of the early July weddings was solemnized Wednesday afternoon at 2.30 in St. Mary's Church, Oak Bay, when Monica Joyce, daughter of Mrs. E. A. Harvey, 148 Eberts Street, and the late Lieut. W. A. Harvey, M.M., became the bride of Richard Corson Holden, son of Mrs. G. Holden, 1572 Monterey Avenue, and the late Lieut. F. C. Holden. Archdeacon A. E. de L. Nunns performed the ceremony.

Wearing a full-skirted gown of white lace over taffeta with square neckline and long, fitted sleeves, the bride was given in marriage by her mother and escorted down the aisle by her cousin, Harvey Webster. A floor-length veil swept from a Mary Stuart headdress and the bridal bouquet was a shower of red and white roses.

Similar bouffant frocks of white embossed taffeta were worn by Mrs. Alex Slegg, matron of honor, and Miss Patricia Holden, bridesmaid. White and red carnations trimmed their Juliet caps and composed their arm bouquets. Walter Wickson supported the groom and ushering were David Holden and Eric Slegg.

Following a reception at the home of the groom's mother, Mr. and Mrs. Holden left for a honeymoon on the mainland, the bride and groom will reside in Vancouver.

Impromptu Musicales

Vocal students of Florence Gunn and elocution students of Shirley Gunn provided an enjoyable program of light classics and operatic arias at an impromptu musicale held at the home of Dr. and Mrs. Wallace R. Gunn, 1251 Victoria Avenue. Guest artists were Miss Rita Nevard and Robin Wood, who will be leaving for England shortly. Students taking part were: Hazel Giles, Elaine Craig, Ronnie Smith, Andre Elizabeth Lindsay, Claude Bugslag, Barbara Donison, Hilarie Cook, Phyllis Murdoch, Madelon Langley, Vivian Trimble, Muriel Trimble, Helen Sinclair, Lillian Macdock, Patricia Jones, Eileen Mulcahy, Shirley Gunn and Dorothy Kenward.

Sacred Recital

A sacred recital has been arranged by the Women's Missionary Society to be held in Metropolitan United Church after the church service next Sunday at 8.45. Madame Lugin Fahey, well-known Canadian soprano, Dr. Harry Johns, popular Victoria baritone, and Edgar Holloway, Metropolitan Church organist, will be the artists. Madame Fahey has sung in England and New York in recitals and in most of the cities of Canada. She has also composed several musical works which have been successfully produced.

Ration Coupons

Ration coupons valid Friday are: Butter, Nos. R1 to R13; meat, Nos. M29 to M44, and sugar, Nos. S1 to S21.

Attend Cadet Graduation

Mrs. Ray Noble, wife of the well-known orchestra leader, who with her husband is spending several days at the Empress Hotel. Wednesday they were among the guests at the passing-out ceremonies of the Royal Canadian Naval College at Royal Roads.

P.T.A. News

North Saanich — Mrs. Owen Thomas presided at the final meeting of the season for the executive committee, Mrs. B. Christian presenting the secretary's report. A report of the June flower show revealed the sum of \$40 had been realized. Plans were made to increase the membership. An extensive program for the betterment of the schools for the coming year was presented by the executive. The first fall meeting will be held Sept. 16.

Craigflower — Mrs. R. Flint convened the recent bazaar held in Craigflower School and Mrs. H. Martin arranged the graduation banquet for pupils of the eighth grade. Mrs. M. Moore, a teacher, was presented with a fruit dish as a wedding gift. The playground committee for the summer holidays is under the supervision of Mrs. F. Mayo, and anyone wishing to help may phone B 3895 or write to 2844 Rockwell Avenue. Last meeting of the executive committee was held Tuesday at the home of Mrs. H. J. Willson.

Club Calendar

Picnic for the Juvenile Branch of the Victoria Musical Arts Society Saturday, has been canceled.

St. Matthew's Guild, annual garden party, Wednesday, 2.30 till 5, home of Mrs. L. Powers, Langford Lodge. Ration book holder contest, afternoon tea, ice cream, bingo, fish pond and other miscellaneous stalls.

Garden Tea Planned

Victoria Bays Band will play and performances will be given by the Oak Bay Girls' Drill Team at the garden tea to be held at the home of Mrs. Curtis Sampson, 1003 Newport Ave., by the Navy League Chapter, I.O.D.E., Wednesday at 2.30. Mrs. J. L. Ford is convening the affair, assisted by Mrs. F. J. Nobbs, tea convener; Mrs. E. Hanbury and Mrs. G. B. Elliott, bingo; Mrs. D. W. Carter, grocery basket. Bridge, reservations may be made by phoning Mrs. G. B. Elliott, G 7483.

Do You Feel Nervous And All on Edge?

People suffering from loss of appetite and run-down condition with symptoms of nerve strain often need a nerve and general tonic. Glycerolactin with Vitamin B (1) supplies tonic ingredients. It is especially beneficial for convalescents. By increasing the supply of Vitamin B (1) in the system, appetite is improved and the system thereby built up to normal. If the loss of appetite was due to deficiency of Vitamin B (1) in the diet, \$1.00 at all Cunningham Drug Stores and other Drug Stores.

Clubwomen

Birthday Tea — Miss L. M. A. Savory, president of Langford Women's Institute, welcomed the guests at the 32nd birthday tea held in the W.I. Hall by the directors. Each visitor received a surprise package and button-hole. Mrs. J. E. Macdonald was elected liaison officer for the W.P.T.B. and Miss Savory to the anti-inflation committee of the Joint Labor Conference. Mrs. H. A. Hinks reported over 650 pounds of clothing sent from the district to the National Clothing Drive. Mrs. A. Turner was appointed tea convener for the institute for the Community Club fair at Goldstream Aug. 7, also as delegate to attend the Metochosin Farmers' Institute meeting.

Girl Guide Notes

Brownie Picnic — The annual picnic of the First Victoria Brownies scheduled to take place at Cadboro Bay was held instead at the home of Mrs. D. Abraham, Brown Owl. Brownie Marina West received her Golden Bar badge and Marguerite Gardom and Patsy Madely, who recently won their Golden Hand-badges, were given a farewell on leaving the Pack and going up to Guides.

Red Cross Notes

Sidney Unit — Final meeting of the St. Paul's United Church group of the Sidney Red Cross was held and the sum of \$56.25 being proceeds of sale of equipment, etc., was turned in to headquarters.

Commissioners Named On Province Strike

VANCOUVER (CP) — Provincial Labor Minister George S. Pearson said Wednesday night the conciliation board to mediate the dispute of striking printers on the Vancouver Daily Province had been withdrawn in favor of a board of commissioners. He said the move was necessary because a conciliation board has never been set up in a dispute after a strike has gone into effect.

The board will consist of Sherwood Lett, Vancouver barrister; Alderman R. K. Gervin, secretary of the A.F.L. Labor Council here, and Clayton B. Delbridge, publisher of the Vancouver News-Herald.

Talks Inconclusive In Foundry Tie-Up

VANCOUVER (CP) — Harvey Murphy, western regional director of the Metal and Chemical Workers' Union (C.I.O.-C.C.L.), said Wednesday night meetings between union and the operators' representatives had proved inconclusive.

Both parties met with James Thomson, provincial chief conciliation officer, in an attempt to effect some solution of the 47-day-old strike.

Mr. Murphy reported disagreement over a union offer to accept a 15-cents-an-hour wage increase instead of the originally demanded 29 cents. Operators

Personals

Miss Mary Twigg Woodward has returned from eastern Canada where she has been visiting for the past few weeks and is now at Government House with her parents, Lieutenant-Governor W. C. Woodward and Mrs. Woodward.

Miss Jennie Robbins and Miss Ellen Ree, both of Victoria, are spending their holidays at the Shawnigan Beach Hotel.

Mrs. A. Pinkerton has returned to her home on Cook Street after spending the last two months in Ontario and Detroit.

Mrs. G. S. Ford, 3023 Uplands Road, entertained at a cocktail party Tuesday evening to honor Miss Vivian Denham and her fiancé, Maj. Michael Allan.

Miss Betty Paul will leave Friday by motor for Berkeley, Calif., accompanying her aunt, Mrs. Mathew Scott, on her return home.

Mrs. George Baird has left for Doon, Ont., to attend the marriage Saturday of her daughter, Miss Margaret Baird, and Mr. Jack Worden of Doon.

Miss Jean Glendinning left Tuesday for Niagara Falls, where her marriage to Mr. Wilfrid Milne will take place in mid-July. She was accompanied by her mother, Mrs. C. Glendinning, who will make her home in the east.

Mrs. W. H. Wilson, who has been spending a month in Ashcroft, is the guest of her daughter, Mrs. Gordon Money, in Vancouver, en route home to Victoria.

Mr. Don Nelson has returned by plane from an extended holiday in New York, Chicago and Toronto. He will spend a few days with his mother, Mrs. Jessie C. Nelson, McClure Street, before going to Vancouver to resume studies at the University of British Columbia summer session.

Miss Pamela Allan entertained recently at the home of her parents, Col. and Mrs. Hugh Allan, 1008 Deal Street, with a kitchen shower to honor Miss Vivian Denham, whose marriage to Mr. Michael Allan will take place this month. The bride-to-be was presented with a corsage bouquet of roses and violets, and during the tea hour, her mother, Mrs. T. Lumsden, presided at the urns.

Lieut. Jean Langlois entertained at dinner in the Union Club Wednesday evening in honor of Mrs. Philip Brail of Montreal. Other guests were Cmdr. and Mrs. A. J. Tullis, Mr. and Mrs. W. E. Molson and Miss Ruth Sherman. Mrs. Brail came west to attend passing out ceremonies at the Royal Canadian Naval College Wednesday afternoon where her son, Midshipman J. P. Brail graduated.

Mrs. J. E. Barnett, Cedar Hill Road, entertained at the tea hour Tuesday afternoon to honor Miss Sheldagh Graves, whose marriage to Mr. Howard Barnett will take place next week. The hostess was assisted by her daughter, Mrs. L. E. Johnston, and Mrs. J. Kyle and Mrs. G. A. A. Hebdon poured tea. Others present were Mesdames F. Kermode, J. O. Welsh, L. B. North, A. E. Robinson, A. E. Lewis, H. S. Jones, G. E. Lane, H. J. Langdon, J. Gough, H. H. H. Livsey, E. B. Prowd, E. T. Brindle, G. Laffin, W. J. Noble, E. Woodward, F. Knight, H. A. Beckwith, W. H. Muncey and V. Burt.

Make Home Economics Work For New Era
DIGBY, N.S. (CP) — If women are to play their part in world reconstruction they must become internationalists and accept the task of preserving the home and family life, Miss Mary E. Sweeney of Detroit told the conference of Canadian Home Economics Associations here Wednesday.

Miss Sweeney said home economics would have more to do with making a new era than any other group of educationalists. But they must first forget national boundaries and become women of the world, and must move home economics from the field of research and study, making it a way of life.

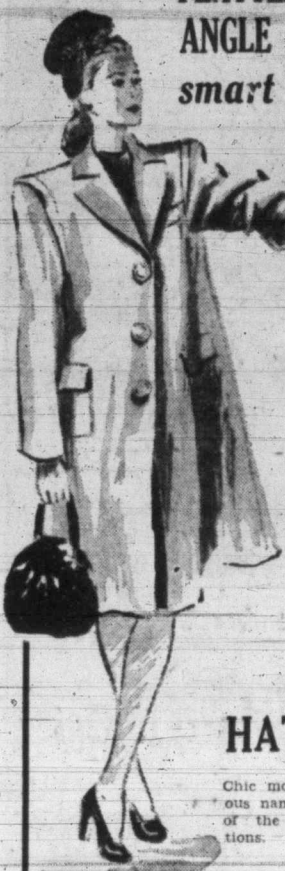

The conference, in its second day today, heard Erica Deichmann speak on the manufacture of Canadian pottery. Mrs. Deichmann, with her husband, came to Glenn Falls, N.B., from Edmonton and now operates the well-known Canadian potteries.

Anna M. Speers of Winnipeg, former director of requirements for the Prices Board, said there was need for a broad plan of consumer education.

It would be an ambitious program to create an educational plan to fit the diversified needs of such a large country, she said, but the results would justify the effort.

spokesmen had made counter-offers of 10 cents an hour. Both sides did, however, agree on the institution of a 40-hour week.

FLATTERY FROM ANY ANGLE... in these smart new COATS

They are fashion news in the accents of the modern mode — a truly superb selection that includes sports and lightweight coats of fine imported fabrics, satin lined, 100% Camel Hair coats, Camel Hair and Wool mixtures, and the Clyde blanket style. Victorians Graduate From Royal Roads

Midshipman Peter Campbell, R.C.N., with his parents, Mr. and Mrs. Harold L. Campbell, and Miss Elizabeth Foote and his grandmother, Mrs. N. Noole, left. Midshipman Campbell was one of three Victoria cadets in the graduating class.

Mr. and Mrs. W. J. R. Peers with their son, Midshipman Robert C. K. Peers, R.C.N., and their two daughters, Ann, left, and Babs. Midshipman Peers won the Nixon Memorial Sword for the cadet with the highest officer-like qualities.

Dorothy Dix

LOVELESS MARRIAGES

Many times in this column I have urged men and women to turn back from the very steps of the altar if they realized that they no longer loved those to whom they were betrothed, and were being driven into marriage only by a sense of duty and obligation.

I am repeating that warning here with all the earnestness I can possibly put into it, because my mail is flooded with heartbroken and bewildered letters from returning servicemen who are facing that proposition and dreading it more than they ever did death on the battlefield.

These letters from servicemen tell the same pathetic story over and over again. Joe was just a kid when he went into the army. He knew nothing of life, or women, or any deep feeling, but he and Sally had played together since their mud pie days and gone to school together, and, in the parlance of their set, she was "his girl." So when he started for the army, homesick and wanting somebody to cling to, he got engaged to her and promised to marry her when he came back.

CHANGED PERSON

And now that he has returned, Sally is demanding that he make good on his promise and marry her at once, and Joe would rather be shot at sunrise than do it. For he is no longer the boy who went away. He is a man who has had

Midshipman Paul L. S. McCulloch, R.C.N., with Mr. and Mrs. H. L. S. McCulloch. The white patches on Midshipman McCulloch's shoulders signify that he will continue his career in the R.C.N. Purple patches distinguish the midshipman who will be attached to the R.C.N. (R).

the experiences of a lifetime crushed into a few years. He has outgrown his youthful fancy for Sally as completely as he has his taste for all-day suckers. And he has found a girl who rouses in him a passion that Sally never did and who meets his needs in a wife.

But there is Sally who was faithful to him during his absence, and who knit so many sweaters for him and wrote him so many letters and who insists on his marrying her, and who tells him that after their marriage his love for her will revive. And there is poor Joe who knows that you can no more bring a dead love to life again than you could breathe breath into a corpse, but he feels that he is in

honor bound to marry the girl who has waited for him.

There are tens of thousands of these poor Joes, torn between their consciences and their hearts, feeling that they have to make good on a boyish promise and knowing it will ruin their lives if they do. And with their common sense dissolving in a girl's tears.

If any good came out of Joe sacrificing himself by marrying Sally after he was tired of her, there might be some faint justification for his doing so; but there is none. His sacrifice is in vain. He doesn't secure Sally's happiness. He wishes on her a life of bitter frustration and jealousy and misery. For there is no woman so unhappy as the one who knows that she practically forced her husband to marry her and that in his secret soul he hates her for it.

So I urge Joe not to let his sympathy nor his fear of what people will say force him to marry a girl whom he doesn't love and does not desire her with all his heart. For marriage is a rocky road to travel even with a congenial companion, and it is a hell on earth if you have to walk it with one who has made the marriage bond a chain that cuts into your flesh and clanks at every step.

Brothers Contest \$80,000 Estate

VANCOUVER, (CP)—The case of the contested will continued on its fifth consecutive day in the B.C. Supreme Court here today.

Two brothers, Dr. Cuthbert N. Clark and Prof. Robert J. Clark, are disputing a will left by their mother, Mrs. Frances Gilmore Clark, concerning the disposition of an \$80,000 estate.

Under the second of two wills left by 85-year-old Mrs. Clark, Dr. Clark was to receive \$70,000 and Prof. Clark \$10,000.

Dr. George Alexander Davidson told the court Wednesday that sulfa drugs, used in treating a physical disorder may have temporarily affected the woman's mind.

Serving by court order as an authorized examiner, Dr. Davidson visited Mrs. Clark in October, 1945, about three months before she died. "Although she answered some questions clearly enough," Dr. Davidson said, "I thought she was quite advanced in senility and recommended that someone be appointed to look after her affairs."

The testimony of Prof. Robert Clark was withdrawn temporarily to make way for medical evidence.

Level Crossing Crash Claims Third Victim

SUDBURY, Ont. (CP)—Third victim of a level crossing collision Wednesday night on the new Creighton Road near here, Frank Fera, 51, of Sudbury, died today in a hospital. Fera's 19-year-old daughter, Mary, and Sgt. Robert Reedy, 60, of the Creighton mine police force, died a short time after the crash.

Graduation Ball Climaxes Naval College Ceremonies

—R.C.N. Photo.
Capt. Wallace B. Creery, O.B.E., R.C.N., commanding officer at the college, with Mrs. Creery and Midshipman R. A. Wisener, Toronto, received the guests at the foot of the wide stairs leading to the dance floor. Midshipman Wisener was awarded the H. E. Sellers officer of the watch telescope for having served as chief cadet captain during the senior year.

—R.C.N. Photo.

Midshipman R. K. Mills of Ottawa, winner of the Department of Naval Defence officer of the watch telescope for highest academic standard in the graduating class, "sits one out" with Miss Wendy Porritt, Victoria. A dinner party at the Union Club preceding the ball included, left to right, seated: Miss Lorna Jones of Ottawa; Misses Joan Bate, Jean Calvert and Gene McMin, all of Victoria; standing, Midshipmen M. A. Martin and W. A. Hughes, both of Kingston, Ont.; Midshipmen Y. B. Maynard and K. W. Blackburn, both of Quebec City.

Bouffant white frocks were chosen for the affair by both Miss Shirley Cameron and her friend, Miss Helen Robinson, shown with their cadet escorts, left to right, Ian Townley and David Wishart, both of Toronto.

Visitors from Vancouver were Misses Betty Reifel and Jacqueline Davies, left to right, with Chief Cadet Robert Montgomery, Toronto, and Cadet John Brenchley, Montreal.

In the grounds of the Oak Bay Beach Hotel following the dinner party are, left to right: Misses Rosemary Jukes, June Brown, Elizabeth Hinton, Alice Locke and Joan McLean, all of Vancouver; behind are Cadets Steven Ker, Norman Bethune, George W. Noble, William Davis and Harry Frost.

Outstanding in a day of traditional ceremony that marked passing out exercises at the Royal Naval College, Royal Roads, was the graduation ball Wednesday night for midshipmen, senior cadets, their parents and friends.

Dancing took place on the quarter deck of the cadet block. From the long windows a fairy-like display of colored lights outlined the wide stone stairs and the tall green trees leading down to the main administration building that was the original stone castle of the historic Hatley Park estate.

Vying with the colorful decorations in the gardens were the lovely gowns on the dance floor. Splashes of floral, brilliant candy stripes, bright-hued ginghams and delicate pastels made a perfect picture against the oak-beamed walls and dull blue drapes.

Gunnery rooms in the cadet block were used as "sitting out" lounges for the evening. A buffet supper was served in the dining hall from the long oak tables decorated with bowls of bright hued summer flowers.

There were more than 200 guests, among whom were many from eastern Canada, the Maritimes and the United States.

Len Acres' orchestra played a program of old and new favorites, interspersed with many traditional naval college tunes.

Among those dining at the Oak Bay Beach Hotel prior to the ball were, left to right: Cadet James Lattimer of Montreal, Miss Marilyn Mulhern, both of Bellingham, and Miss Deirdre Bryn-Jones of Victoria; and, in the same order, Cadet T. H. Ellis, Winnipeg; Cadet Olson, Miss Dorothy Wills and Cadet Ken Carruthers of Montreal. Capt. W. B. Tilden, Westmount, Que.; Cadet R. C. Quain, Ottawa.

—R.C.N. Photo.

Taking time out between dances to explore the intricacies of the engine room telegraph below the quarter-deck are Cadet David Ker and Miss Joan Gonnason, both of Victoria.

Vancouver Sabotage Plot Discovered Years After

VANCOUVER (CP) — A possible wartime sabotage plot in the South Burrard shipyard, which never materialized, was uncovered Wednesday when a worker helping to dismantle the yard found seven blasting powder sticks, fuse and caps under a pier in the yard, narrowly escaping death himself in the discovery.

Garnet Palmer, employed by the Moncrieff Construction Co., which is dismantling the South

Burrard ways, was burning off bolts with a torch when he saw a tin box containing the deadly powder in the nick of time, before his torch could set it off.

Police are conducting an intensive investigation into the discovery.

A South Burrard official said belief is the powder was intended to wreck probably two 10,000-ton freighters and the yard ways.

Theory is that one or more saboteur workmen smuggled the powder, fuse and caps into the yard, probably in their lunch pails, and concealed them under the pier.

"Who'd believe
Jim is 50?"

Parents and grandparents know and value the health-giving properties of Eno's 'Fruit Salt' for the whole family. Life holds so much more for those who are really fit. For generations Eno has helped millions of people to attain that vigorous, buoyant health which most always comes from inner cleanliness.

Eno helps settle an upset stomach, helps nature free the system of food wastes that often cause constipation and headaches; relieves excess gastric acidity. Eno is gentle but effective in its action, safe for young and old alike. Take pleasant-tasting Eno in a glass of water before breakfast, when needed. Buy a large economical bottle today.

Golf Features Gyros' Annual Carnival

Victoria Gyro Club got off to a good start Wednesday night in its drive to raise more than \$7,000 for crippled children at Queen Alexandra Solarium through its seventh annual carnival at Central Junior High School grounds.

"I cannot recommend the support of citizens too highly for such a fine cause," said Mayor Percy E. George, just prior to cuffing the first ball in the carnival's four-star hole-in-one golf attraction.

The midway scene was not unlike the professional fairground sights viewed at the Willows Park in the previous autumns.

The Gyros discarded their usual polite business-house manner and, adopting fairground jargon, did their utmost to attract patrons to games of chance offered on the grounds. "Right this way, folks, and try your luck on this wheel," and "Come on, ladies and gents, just a few more seats left for the bingo," were among the calls that reached above the general hustle.

The carnival started at 7 Wednesday night and continued to operate under floodlights until 11. It will operate similarly to night and Friday night, and will wind up with entertainment starting at 2 Saturday afternoon and continuing until after dark.

HOLE-IN-ONE GOLF POPULAR

While the bingo games, with tables crammed with prizes of all sorts, got much attention from the crowd, the hole-in-one golf under the direction of Ross "Bud" Hocking did a steady business. Club-handlers from experts to novices of both sexes tried to hit the "little hole" 70 yards from the six-tee layout.

Play stopped briefly periodically to allow children to gather the balls.

Closest golfer to the hole was H. W. Young, Cedar Hill Golf Club owner and winner of the classic last year. He topped the field by directing a ball to within three inches of the pin. Jack Pollard finished in second place and Mayor George, who admitted he was a novice at the game, after repeated left and right hooks, put a ball close enough to emerge in third place.

MANY GAMES, REFRESHMENTS

The first prize, to be awarded Saturday, is a \$350 Frigidaire. For each hole-in-one, \$10 is the award.

The midway offered almost every type of game seen at regular fairs—roulette, bingo, hitting-the-bottles with baseballs, miniature bowling, dart-throwing, a basketball pitch and chuck-a-luck.

There was a busy booth serving hot-dogs, coffee (with two lumps of sugar), candy, soft drinks and other refreshments.

Some of the Gyros actively engaged in promoting the various features were: President Hart Henderson, Allan Pendray, Pat Dunn, Art Minnis, Tommy Forbes, Tommy Veitch, Clyde Savage, Mark Truman, Walter Parker, Jack Mercer, Neil Grant, Gordon Law, "Pip" Sills, Fred McLeod, Dave Moir, Bill Hudson.

Mayor Percy E. George teed off first, but was wide of the mark.

son, "Pip" Holmes, Jamie Cameron, Art Saunders, Jack Howe, Percy Moir and Lloyd McLennan.

Among the women lending

their aid to the function the first night were Leta Saunders, Anne Gough, Doris Loughheed, Joyce Davidson, Laurie Eby, Bernie Butters and Nonie Grant.

War Best Seller Comes to Dominion

"A Walk in the Sun," Harry Brown's best-seller, comes to the Dominion Theatre tomorrow in Lewis Milestone's film version starring Danna Andrews.

Brown, who was in the army for over four years, wrote "A Walk in the Sun" while correspondent for Yank magazine in London. On its appearance, it was hailed as one of the most outstanding books to come out of the war.

Presented by the 20th Century-Fox, the drama features Richard Conte, George Tyne, Sterling Holloway, John Ireland, Herbert Rudley, Richard Benedict, Norman Lloyd and Lloyd Bridges.

Noted Stage Stars In Story of Sea

Two famous New York stage actors appear in important roles in "Reap the Wild Wind," Paramount sea-epic produced in Technicolor by Cecil B. De Mille. The two are Raymond Massey, who played the title role in "Abe Lincoln in Illinois" on the stage and then repeated it on the screen, and Walter Hampden, noted Shakespearean actor.

"Reap the Wild Wind," which stars Ray Milland, Paulette Goddard and John Wayne, opens today at the York Theatre.

OAK BAY-PLAZA THEATRE

"Spellbound," the latest screen play to come from the pen of Alfred Hitchcock, can be seen now at the Oak Bay and Plaza Theatres. Ingrid Bergman and Gregory Peck are co-starred, with a supporting cast that includes Leo G. Carroll, John Emery, Wallace Ford, Regis Toomey and Rhonda Fleming.

Hollywood Column

By BOB THOMAS

HOLLYWOOD (AP)—Jorja Curtright knows how Cinderella felt when midnight sounded. The Amarillo, Tex., gal has not changed into a scullery maid, but she is back at her old job as secretary to producer Seymour Nebenzal.

Jorja went to work for the producer four years ago. She warned him frankly that she wanted to be an actress. For three years she kept an eye on castings and finally found a role she thought she could do. It was in "Whistle Stop" and she wheedled it out of the boss.

"Whistle Stop" turned out to be an odoriferous although money-making picture. However, most critics agreed that Jorja was a bright light in the sorry mess. She had a triumphant return to her home and to New York. Now she is back taking dictation.

"I want to be near the centre of activity," she explained. Besides she can keep an eagle eye

A FAMOUS PLAYERS PRESENTS

Sports Mirror

By PETE SALLAWAY

WITH the schedule rudely interrupted as a result of the bus crash that snuffed out nine of the Spokane ball club players, directors of the Western International Baseball League are in a position to declare a split season with a playoff at the conclusion of the regular schedule to determine the champions. Grapevine tells me the league bosses plan a get-together shortly to discuss the plan and it is to be hoped they see the light and declare a new deal for the eight clubs.

AT THE START of the season I campaigned for either a split season or a four-team playoff at the end of the season. For some reason the club owners ruled out the playoff on the grounds such a series would be a financial failure. How they arrived at such a decision I'll never know. Just for argument's sake take the case of the two Canadian clubs in the circuit, Victoria and Vancouver. Both got away to slow starts, with the result they are bedded down in seventh and eighth positions. However, if a fresh start were called it would make all the difference. All clubs are better balanced and the second half schedule would see a real drive to the finish line for a spot in the playoff, against the first-half victor. Maybe Bob Brown, Vancouver manager, who was so opposed to a playoff at the pre-season sessions will have experienced a change of heart.

IN GLANCING over the list of players secured by Spokane to rebuild the Indians, I notice the name of Frankie Hawkins. He is one fellow who actually talked himself out of the Coast League. Playing with Oakland last season Hawkins, an outfielder, finished the season with a batting average in the neighborhood of .350. But, owing to his disposition and over-willingness to battle with the umpires and everybody in general, Hawkins drew his release and not a ball club in the country picked him up. As one member of the Victoria club remarked: "He's one ball player who hit himself out of a job." Hawkins has got a break by getting back into the game with Spokane and I wonder if he has learned his lesson. If Hawkins ever gets into a tongue-fest with W.L. ump Doc Regale, I hope it is my good fortune to be present. Regale can hold his own with the toughest and never forgets he has the authority to handle any situation. He always reminds me of a bulldog when a manager or player elects to jump him.

PROOF that fish derbies this season will hit pre-war standards was seen Sunday when 801 members participated in the first competition of the Victoria-Saanich Inlet Anglers' Association. Next Sunday the fishing clan will promote its one public derby of the year with the Solarium to receive all returns. This affair should attract well over the 1,000 mark in entries as some handsome prizes have been donated and the cause is a worthy one. Committee in charge Sunday will include Harry Woolston, Doc Jones, and George Mann, three old-timers in derby promotions. "We'll really show the boys how to put on a derby," declared Woolston.

Bremerton Overpower A's 19-8

WESTERN INTERNATIONAL LEAGUE

| | | |
|-----------|----|-----|
| Winnipeg | 27 | 439 |
| Salem | 43 | 27 |
| Tacoma | 36 | 254 |
| Bremerton | 24 | 26 |
| Spokane | 23 | 26 |
| Yakima | 20 | 39 |
| Vancouver | 22 | 43 |
| Victoria | 21 | 40 |

Victoria pitchers acted like a bunch of "first cousins" to Bremerton players at the ball park Wednesday night, with the result the Bluejackets knocked off the Athletics 19 to 8 in the final game of their Western International League ball series. Result left the clubs all even with two wins apiece.

Today Bremerton and Victoria resumed play with a holiday doubleheader at Bremerton.

Putting on a real exhibition of power hitting the Bremerton huskies picked up 20 safeties including a pair of home runs by Reese and Barisoff, triples by Amaral and DeVours and a double by Amaral, DeVours, Goudous and Federmeyer. The Bremerton boys really clouted the ball in the clutches, leaving only six men on base.

Athletics came up with some extra-base clouting themselves as Pete Hughes and Bill Dunn each contributed two home runs. In addition Marionetti lined the ball deep into left field for three bases. But the Victoria players just couldn't keep up with high-scoring Bluejackets.

USE FOUR PITCHERS

Four Victoria hurlers came in for a shelling. Tony Ferrar opened but left hurriedly in the second with an attack of cramps after giving up four runs on three hits and a couple of walks. Pee Wee Bass took over and gave up the ghost, after four innings of toil, with a record of seven runs on nine hits. Johnny Carpenter worked the seventh and eighth and was charged with three runs while southpaw Jim Hess handled the job little better in the ninth, being picked for three more tallies.

Old Sam Gibson, Bremerton manager, elected to do a little pitching in an effort to give his mound staff a much-needed rest, but had to call on "Beak" Federmeyer for relief after going just three frames. He was charged with four runs. Federmeyer found the going rough until the sixth, following which he hurled shutout ball.

After Bremerton took the lead with their four runs in the second the A's never got back on even terms, coming closest at the last of the fifth when the board read 8 to 7.

Short scores in other W.I.L. games last night follow:

| | |
|---|----------|
| Salem | R. H. E. |
| Wenatchee | 7 12 4 |
| Batteries—Fallin, Gunnerson (2) and Salmon; Green and Fitzgerald. | |

| | |
|--|----------|
| Tacoma | R. H. E. |
| Vancouver | 4 14 2 |
| Batteries—Martin, Sostre (8) and Kuper; Snyder and Spurgeon. | |

Legion, Tillicums In Boxla Tangle

Outdoor box lacrosse is on the sports menu for tonight and the scene of action will be Stevenson's Memorial Park starting at 7. The game will bring together Canadian Legion and Tillicums clubs. First game of the 1944 season was seen earlier in the week when Tom Carney's Jokers scored a 19 to 5 victory over the Navy.

Legion and Tillicums Athletic Club have seen action this season at Nanaimo. Tillicums were originally from Victoria but due to lack of other entries, they are incorporating senior material to shoot for the laurels in the top circuit.

BABY'S RASHES

are often a sign of upset digestion. See how quickly this type of rash often disappears after the use of Baby's Own Tablets. Pleasant to take, easily crushed to a powder if desired, these little tablets sweeten baby's stomach and clear out irritating material that also may be causing gas, ferrihness and diarrhea. Get a package of Baby's Own Tablets today. They have been the standby of mothers for over 40 years. Only 25¢.

FOR SALE

LANDS AND BUILDINGS
Vancouver Island, B.C.
At Saanich Arm, Shawnigan District:

And in Cowichan District:
Subject to prior sale or withdrawal. War Assets Corporation invites offers for the purchase outright of the Crown's right, title and interest in land and buildings located on Vancouver Island, B.C., at the Saanich Arm, Shawnigan District and at Cowichan District.

SAANICH ARM PROPERTY: Approximately 75.25 acres with about 1,000 feet waterfrontage on which there is a five-room stone bungalow with basement and water under pressure. There is also a small four-room cottage, a large barn and outbuildings. About 40 acres cleared and under cultivation. The balance is in stumps and lightly tilled, with gentle slope to the sea, and could be subdivided into many beautiful homesteads. The whole property commands magnificent views of sea, islands and mountain ranges. Located in Sections 4 and 5, Range 10, Shawnigan District, B.C.

COWICHAN DISTRICT PROPERTY: Approximately 28.89 acres of land at the southeast corner of Kokalah Road and Parker Road together with any buildings thereon. Approximately one half of this land is cleared and under cultivation, the balance being timber, stumps and light brush. Located in Section 3, Range 4, Cowichan District, B.C.

Information contained herein as to acreage and other details pertaining to either or both properties is subject to correction. Further details may be obtained from the Vancouver Office of War Assets Corporation.

War Assets Corporation reserves the unqualified right to reject any or all offers. Sale of these properties will be subject to the approval of the Governor-in-Council.

NOTE: Offers should be addressed to the Head Office of the Corporation at the address given below.

City Engineer Will Study Acquisition Of Elk Lake System

City Engineer G. M. Irwin was instructed Wednesday by a joint meeting of city, Saanich, air force and Dominion government representatives to make a full investigation into taking over the Elk Lake water system by the city.

This is the system which has served Patricia Bay airport and it is estimated, stated Ald. J. A. Worthington, chairman of the water board, that the plant, pumping station and water mains are worth approximately \$800,000.

Attending the meeting for the city were Ald. Worthington, Mayor Percy George and Ald. R. A. C. Dewar. Representing Saanich were Reeve A. G. Lamb, Municipal Clerk John Oliver, and Municipal Engineer H. L. Blake. Representing the air force were Squadron Leader R. B. Whiting from Western Air Command in Vancouver and Flt. Lieut. M. T. Doherty from Patricia Bay.

In his investigation, Mr. Irwin will ascertain how many people the system will serve, how many it could carry and costs of operation and maintenance. Until the report is in no decision will be made on taking over the system.

705 Applications To Sell Gas Made

To date this year the Coal and Petroleum Control Board has granted 370 licenses to sell gasoline of a total of 705 applications made.

Dr. W. A. Carrothers, board chairman, reported today 105 applications had been refused and the remainder of the total had been tabled pending further consideration.

To May 2 the deluge had totaled 664 applications. Of this total 582 were requests for permits to operate service pumps to sell gasoline to autos, 26 were for marine gas sales, 32 were for lubricants only and 34 were for bulk sales trucks.

Dr. Carrothers reported that of the 370 applications granted to date, 147 went to veterans.

Campaign Started Against Inflation

A national campaign to curb price inflation is being started from Victoria by the newly-formed Anti-Inflation League, which held its second meeting this week.

Organizations represented on the league include the City Council, the Local Council of Women, the Trades and Labor Council, the Veterans' Council, the P.T.A. Council, and several church women's auxiliaries.

The Local Council of Women has already started the campaign, Chairman A. P. Rayment reported, by contacting all member organizations across Canada, urging them to support the move to have the federal government maintain price controls until consumer goods are on the market in sufficient quantities to meet the demand.

Fire Barge To Go

Victoria's fire barge is on the way out. Ald. H. M. Diggon, chairman of the fire wardens, said today that his committee would recommend to Monday's City Council meeting that the fire barge be turned over to War Assets Corporation for disposal.

"It would take approximately \$15,000 a year to man the fire barge, and it is deteriorating so rapidly that it will be a growing expense for maintenance," he commented.

Ald. Diggon said that the fire wardens had written the waterfront owners to ascertain if they were interested in having the fire barge kept, or contributing to the cost of its operation. Most of the waterfront owners did not reply to the question, and those who did said they were not interested in having it maintained.

Intensify Recruiting

In order to strengthen the campaign for naval recruits, the recruiting station at H.M.C.S. Malahat will be open from 7 to 9 each Monday and Thursday evening in future, Lt.-Comdr. W. W. Gage, officer commanding, announced today.

At present the demand is mainly for ordinary seamen and supply assistants, whether or not the recruits have had any previous experience, Lt.-Comdr. Gage said.

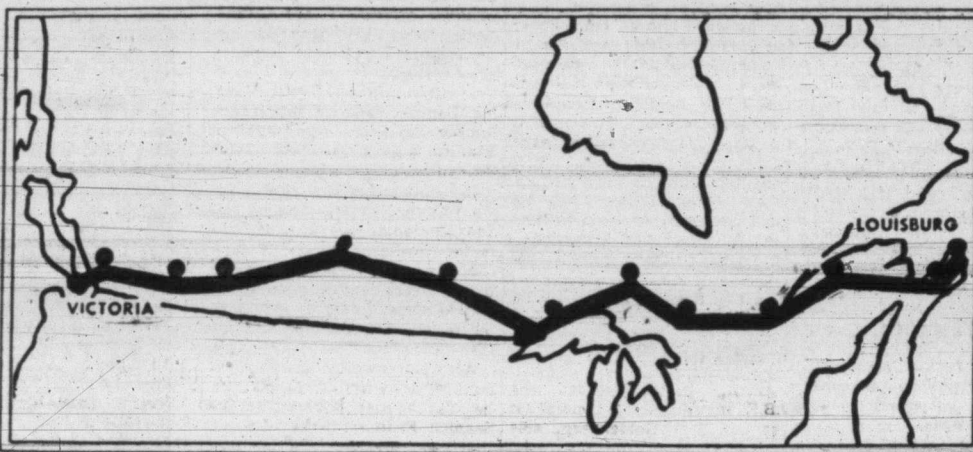

A rehabilitation officer will also be present at H.M.C.S. Malahat from 1.30 to 4.30 every Tuesday afternoon and from 7 to 9 every Friday evening in order to give assistance to naval veterans in their re-establishment in civilian life.

ANOTHER "FIRST" FOR CHEVROLET

BRIGADIER R. A. MACFARLANE, D.S.O.

1946 Stylemaster Sedan Makes First Trans-Canada Trip to Win Todd Medal for Brig. R. A. Macfarlane

DOWN "CANADA'S MAIN STREET" — The Trans-Canada Highway, which links province to province, from sea to sea, and opens the way to a great new era of tourist travel.

Rolling along "Canada's Main Street" — the Trans-Canada Highway — from coast to coast, Brigadier R. A. Macfarlane, D.S.O., at the wheel of a new 1946 Chevrolet Sedan, has just completed the first ocean-to-ocean automobile trip without leaving Canadian soil.

To win the A. E. Todd Gold Medal — offered in 1912 by the Mayor of Victoria — Brig. Macfarlane left Louisburg, Nova Scotia, with the salt of the Atlantic on his rear wheels, and after nine days of driving he arrived in Victoria, Vancouver Island, B.C., and dipped his front wheels in the Pacific, having covered

4,743 MILES

The Chevrolet used was a stock 1946 model powered with a standard six-cylinder valve-in-head engine. It was selected by Brig. Macfarlane — who held the responsible posts of Director of Mechanization and Deputy Master-General of

Ordnance, at Defence Headquarters, Ottawa — because he is convinced that a "sturdy, light, economical passenger car is ideal for the average Canadian citizen." With his extensive experience of army vehicles, on the testing grounds and on active service in two wars, Brig. Macfarlane made the new Chevrolet his choice for his history-making trip — another "first" for Chevrolet!

NEARING THE END OF THE TRAIL — J. V. Johnson and George Warren of the Victoria Automobile Club, meet Brigadier Macfarlane and his Chevrolet a few miles outside Victoria and escort him into the City.

THROUGH THE ROCKIES — The Chevrolet spent thrilling hours skirting sheer precipices and climbing high mountain roads before it encountered this quiet little valley in Canada's Rocky Range.

THE PACIFIC! — After 4,743 miles of rapid, trouble-free driving, Brigadier Macfarlane and his co-driver dip the front wheels of their Chevrolet in the Pacific Ocean — to win the A. E. Todd Gold Medal.

THE AWARD — Winning of the Todd Medal, offered in 1912, became possible with completion of the Trans-Canada Highway. It is now awarded to Brig. R. A. Macfarlane for the first authenticated journey from Louisburg, Cape Breton, to Victoria, B.C., over a specified all-Canadian route.

Part Of Gordon Head Airport Site For Sale By War Assets

The naval property at the Gordon Head airport site has been declared surplus by War Assets Corporation and is now up for sale, Mayor Percy George was informed today.

The property contains 57.5 acres of land, and five wooden buildings which were erected in 1941.

The matter was referred to federal and provincial authorities, the letter stated, "who have been advised that, according to our information, the City of Victoria is interested in this property for the building of an airfield."

No Salmonellosis Reported In City

No case of salmonellosis has been reported in Victoria this year, Dr. J. L. Murray Anderson, medical health officer, stated today, although the outbreak of the disease in Vancouver is so severe that the assistant senior medical health officer has been recalled from his vacation to undertake a survey of the disease.

It is spread by carrier, Dr. Anderson said, and dairy foods such as custard and butter are the foods in which the germs breed best.

The only way of stemming an outbreak of the disease, which manifests itself as a severe stomach and bowel upset, is to find the carriers and keep them from handling food.

In Vancouver 122 cases of the disease have been reported to date this year. Last year there were 48.

VANCOUVER (CP)—A 73-year-old woman from the Point Grey district is Vancouver's seventh victim this year of salmonellosis—a disease which is continuing to worry city health authorities.

Building permits have been issued to W. B. Revercomb to erect a five-room house at 2905 Cook Street costing \$5,000; and to A. E. Drewery to repair and install new partitions in a nine-suite apartment block at 1425 Fernwood Road, costing \$6,500.

W. C. Mainwaring Receives Honor

Honors for two Victorians were included among awards announced today by the St. John Ambulance Brigade in Canada.

Admitted to the Commandery in Canada of the Grand Priory in the British Realm of the Venerable Order of St. John of Jerusalem as an Officer Brother was W. C. Mainwaring, provincial commissioner of the St. John Ambulance Brigade.

Promoted to Officer Brother was Dr. T. W. A. Gray, who has been active in the organization for many years in this city.

Parent-Teacher Picnic

Over 2,000 attended the Greater Victoria Parent-Teacher picnic at Willows Wednesday. The affair was opened by Mrs. Ernest Evans, third vice-president of the B.C. Parent-Teacher Federation. Guests included Mrs. E. M. Lorimer, Mr. and Mrs. J. F. K. English, Mrs. H. A. Beckwith and Alderman Frank Mulliner. Mayor Percy George addressed the gathering at supper time. Dick Reeves acted as master of ceremonies and Percy Noel and Jack Gelling were in charge of the races. Music was provided by the Rowles Boys' Band and the Victoria Girls' Drill Team performed. Mrs. W. Blair was general convener of the picnic, assisted by Mrs. M. Scobie.

British Brides Asset To Canada, Says Col. Dray

British brides of Canadian servicemen represent the greatest immigration movement Canada has had and are a forerunner of "a good flow of British immigration" in the opinion of Col. W. J. Dray, director of Salvation Army War Services, in Victoria today.

Col. Dray, whose headquarters are in Toronto, is on a cross-country tour to complete war services work in the various centres. He will leave Victoria Friday night.

"I have interviewed many British brides in clubs across the country and they are an asset to Canada," he said. "They are getting along well in their new country and though there is the odd breakdown, with a few returning to Britain, they are definitely in the minority."

"There is great interest in Britain concerning Canada and these brides whose families are there, will increase that interest."

Col. Dray, who for 27 years was in immigration and colonization work for the Salvation Army in Canada, said he favored a government-controlled immigration policy.

"There should be a commission set up, outside of politics, working on a five to 10-year plan which would see 500,000 persons immigrating to Canada every year for the next 10 years."

Discussing the Salvation Army War Services, Col. Dray said 240 officers were drawn from peace-time personnel. War Services staff in Canada numbered 1,000 with nearly 75,000 volunteers assisting.

Col. Dray made two trips overseas and was in London on VE Day, and on the continent. He referred to the great need for clothing among peoples of liberated Europe. The Salvation Army will remain in Europe as long as the army of occupation is there, he said.

Mrs. Dray, director of the Red Shield Women's Auxiliary work, accompanied her husband on the tour.

Col. Dray paid tribute to Miss Violet Wilson, Mrs. W. H. Gibson, Mrs. J. W. Lomox, Mrs. W. Sheffield, Mrs. M. F. Driscoll, Mrs. H. Paterson, Miss Sara Spencer and others for their assistance in Victoria.

Drowned Boy's Body Taken From Lake

The body of 13-year-old Tommy Plimley, son of Mr. and Mrs. Percy Plimley, Cordova Bay, has been recovered from Lake Whatcom, near Bellingham, the Associated Press reported today.

The body of Tommy's cousin, James McIvor, age 5, was also found.

The two boys drowned on June 25 while boating on the lake. They were seen last playing in the boat on June 25 and half an hour later the boat was found empty. A search was started but the bodies were not found until Wednesday, when Chris A. Nelson saw them in the water while fishing on the lake.

The Plimleys, well-known Victoria family, were vacationing with Mrs. Plimley's brother's family at Bellingham.

Baby-Abandoning Case Most Unusual

A young Chinese couple, the husband from Stockton, California and the wife from Vancouver, charged with abandoning their five-week-old daughter in Victoria, were released today in city police court.

Magistrate Henry C. Hall released the couple with the provision that the husband pay \$30 a month for maintenance of the baby by the Children's Aid Society. Also it was noted that the parents could apply to take the baby back again at any time.

Commenting on the case, one of the most unusual to come before local courts, Miss Rae Kirkendall of the Children's Aid Society of Victoria, said: "It is a most difficult situation, but our society cannot tolerate such action by anyone."

It was explained in court that the wife could not go to live with her husband in the U.S. because of immigration restrictions. She also could not maintain herself and the baby on her own. On the other hand, the husband could not maintain two homes, one in California and the other in Vancouver.

As a result, the local Children's Aid Society guaranteed to the court the maintenance of the baby with help from the father, and the baby will be placed in the hands of the Vancouver society in order that the mother can visit her daughter.

The young couple allegedly endeavored to abandon the baby after they took a room at a local hotel.

Foreign Car Travel 50 Per Cent Higher Here Than Ever Before

George I. Warren, Victoria and Island Publicity Bureau commissioner, reported today U.S. travel through the Port of Victoria in the first six months of 1946 had surged up to a total nearly 50 per cent higher than ever seen here before.

For the first six months of 1946, 4,288 cars with foreign licenses entered the port, carrying 11,839 passengers. This total is an increase of approximately 83 per cent over the first six months of 1945 when 2,339 cars, bearing foreign licenses, entered the port with 6,302 passengers.

For June this year, 1,893 cars passed through Canadian Customs into Victoria, as compared with 755 for June, 1945.

Up to July 1 this year, 47 out of the 48 United States were represented by cars entering here. Vermont was the only state not represented. In addition, there were nine cars from Hawaii, one from the U.S.S.R. and one from Alaska.

This June, California was in the lead with 677 cars bearing that state's license plates seen on Victoria streets. Washington ran second with 673 cars and Oregon third with 274.

In 1938, one year before the war, total number of foreign cars entering Canada through Victoria was 2,503.

A special committee of the Victoria Citizens' Rehabilitation Council, set up to investigate administration of the Veterans' Land Act in this area, today recommended several major changes in organization and policy.

Recommendations of the committee were sent to Gordon Murchison, director of the Veterans' Land Act and Soldier Settlement, Ottawa; Veterans' Minister Ian Mackenzie, R. W. Gray and Maj. Gen. G. R. Pearkes, V.C., and members of Parliament for Victoria and Nanaimo respectively.

"To help remove the cause for complaints, and we are satisfied that these complaints generally are justified," the committee stated, "we strongly recommend that the following suggestions be considered and acted upon at the earliest possible moment."

The committee then listed seven recommendations, including:

1. Improvement of administration of the local office, and speeding of all transactions therein.

2. Addition of two regional advisers "with a younger outlook" to the Victoria board.

3. Expediting of payments to vendors and all investigations and valuations. "Because of existing conditions," the committee stated, "vendors in this area are not desirous of selling to the Department of Veterans' Affairs."

4. Compilation of list of available property. "The veteran, after he has qualified, finds it almost impossible to locate suitable property," the committee said.

5. Allocation to veterans without delay of houses built under the Veterans' Land Act, "many of which are 75 per cent complete," either for purchase or lease.

A native of Kincardine, Ont., Mr. Lamont came to British Columbia 55 years ago, and to Saanich during the first Great War.

He was a member of the Saanich Pioneer Society, and of the Saanich zoning board, a past director of the Victoria Rotary Club, of which he was a member for 23 years, and a member of the Victoria Chamber of Commerce and Royal Colwood Golf Club.

Always interested in the agricultural activities of the district, Mr. Lamont was past director of the Saanich Fruit Growers' Association, past president of the British Columbia Fur Breeders' Association and a member of the Vancouver Island Fur Breeders' Association. He was founder and manager of the Growers' Wine Co. Ltd. until a few years ago and remained active in the firm until his recent illness.

Rev. F. W. McKinnon will conduct the funeral services. Interment will be at Royal Oak Burial Park.

He was adviser on municipal finance and organization to the Rowell-Sirois Commission on Dominion-Provincial relations.

Two Knocked Down By Chinatown Thugs

A Chinese and a white man were knocked down today by two unidentified men on Chinatown streets.

The Chinese, Chu Woo, 1625 Government Street, required hospital treatment for cuts on his face and head. The white man, Bob Smith, 319 St. Lawrence Street, was not hurt.

Woo told police the two men beat him up while he was walking in Chinatown at about 12.55, and took his wallet, which did not contain any money. Smith said two men hit him on the head and knocked him down at Store and Fisgard Streets at approximately 1.05.

The City Hall Employees' Association are planning a picnic at Deep Cove Aug. 17 and have applied to the City Council for a grant of \$150 for expenses, and also for a half holiday.

S.I.U. Will Query Members On Offer Of \$12.48 Pay Boost

A poll of members of the Seafarers' International Union of North America (A.F.L.) on what action the union should take on the \$12.48 pay boost awarded by the National War Labor Board, will be taken up by the union among members aboard ships on this coast, it was announced today.

William McLaughlin, agent for the Victoria branch of the union, said members of the union will be asked to indicate which of the following four courses of action they favor:

1. Acceptance of the \$12.48 under protest, with a demand that the labor board review the application once again.

2. That the union press to have the pay boost made retroactive to 1945.

3. That the pay boost be accepted, but crewmen refuse to do any work on board ship that is not required by law, after a certain deadline, and demand equal pay for equal work.

4. That the union revert to its original demands.

The Seafarers' Union is bargaining agent for the crews of the B.C. Coast Service "Princess" ships, Canadian National Steamships vessels and Union Steamships vessels on this coast.

Neil Lamont Dies; Funeral On Friday

Funeral services will be held Friday at 2.30 in Sands Mortuary Ltd., for Neil Hugh Lamont, 73, a resident of Saanich for the past 36 years, and prominent member of district agricultural circles, who died Wednesday in Royal Jubilee Hospital after a brief illness.

A native of Kincardine, Ont., Mr. Lamont came to British Columbia 55 years ago, and to Saanich during the first Great War.

He was a member of the Saanich Pioneer Society, and of the Saanich zoning board, a past director of the Victoria Rotary Club, of which he was a member for 23 years, and a member of the Victoria Chamber of Commerce and Royal Colwood Golf Club.

Always interested in the agricultural activities of the district, Mr. Lamont was past director of the Saanich Fruit Growers' Association, past president of the British Columbia Fur Breeders' Association and a member of the Vancouver Island Fur Breeders' Association. Government May Appoint Expert For Water Survey

Appointment of an expert to make a survey of municipal water problems by the provincial government is a distinct possibility, Hon. N. W. Whitaker, M.L.A. for Saanich, indicated in a letter to the City Council.

Mr. Whitaker explained his constituency has many problems in connection with water supply and said he had recently interviewed Premier John Hart on the water situation on southern Vancouver Island.

Mr. Hart indicated he would be willing to consider appointing an expert to make a survey if the municipalities having water problems make the request.

Mr. Whitaker said the municipal councils of Esquimalt, Saanich and Oak Bay have made such a request. He suggested the city should make a similar request.

U.S. Marine Officer Faces Grave Charge

SAN FRANCISCO (AP)—The San Francisco Chronicle said today that high United States naval officials had disclosed the arrest of a Marine Corps officer at Camp Pendleton, Calif., on charges of bribery and diversion of an estimated \$1,000,000 in government goods.

The authorities, who declined use of their names, the newspaper said, reported the officer was connected with the camp's post exchange.

One navy official said the merchandise included 200,000 cases of eastern beer, 2,000 shock-proof wrist watches, large stocks of textiles and luggage and other critical civilian commodities.

W.P.T.B. Charges

Three Wartime Prices and Trade Board charges involving dealings in textiles, against George Strath Ltd. were dismissed by Magistrate Henry C. Hall in city police court today.

Trial of C. L. Tang Ltd. on textile charges will commence in police court tomorrow.

NEW ARRIVALS at the NEW FLETCHER'S

LAMPS de luxe

We were surprised ourselves at the extent and variety of the new shipment of Trilite and Torchier Lamps which arrived yesterday. Beautiful gummetal and silver finish. Standards in modern design. An ideal gift for the Bride.

About PIANOS

No, we haven't any new ones this week, but maybe soon. However, there are some fine completely reconditioned Used Pianos practically as good and as good looking as the new ones. And of course we'll be glad to tune your piano any time.

Spokane Baseball Club Plays With Glen Wright Back

SPOKANE, Wash. (AP)—A new Spokane baseball team, headed by the star hurler from the club virtually wiped out in a mountain bus crash June 24, took the field today to resume Western International League play against Yakima.

Announcing the starting lineup, acting manager Glen Wright said more players were arriving steadily to try out for places with the team.

Milt Cadinha, who has won eight games and lost one for Spokane this year, was to start on the mound today. Cadinha was riding in a private car when the team's chartered bus carried nine players to their death and injured six others. Joe Faria, another pitcher traveling with him, will start the second tilt of the six-game series.

Other starters included: Jerry Varrelman, formerly of Lewiston, Idaho, and the Mexican League, or John Carroll, catcher.

Charley Bates, formerly of Oakland, first base; Lou Kubiak, on loan from Salem, short stop; Mickey Weintraub, on option from Sacramento, second base; Don Ryan, from the Seattle Rainiers, third base.

Frankie Hawkins, formerly of Oakland; Mel Steiner, recently with the Mexican League, and Gale Bishop, returned from Indianapolis, outfielders.

Struck By Streetcar, Vancouver Man Dies

VANCOUVER (CP)—Joseph A. Hebert, 46, died in a hospital today of injuries suffered Wednesday night when a streetcar left the tracks at a main downtown intersection. The car split a switch and the rear end swung around and hit Mr. Hebert.

Annual picnic of St. Matthew's Sunday School, Langford, will be held Saturday at Goldstream Park. Parents and children will meet at the church at 2.

Two large tubs full of blooming flowers have been placed at either side of the City Hall entrance by the Parks Department, to supplement the window boxes.

Mayor Percy E. George will distribute prizes for the police revolver club shoot July 10, after attending the banquet at the Empress Hotel. The shoot will be held at Thetis Lake.

Esquimalt has endorsed the resolution asking that taxi fares to and from airports at Victoria and Vancouver be absorbed in the air transport fee, the City Council was informed today.

Richard Milne was fined \$35 and his driver's license was suspended for one month when he pleaded guilty in city police court today to a dangerous driving charge. Constable Al Appleton testified Milne attempted to pass a car on Fort Street between Douglas and Blanshard Streets on June 22 and cut across in front of a moving streetcar.

Victoria's street lighting department is finding it difficult to get supplies for installation and maintenance, Kenneth Reid, street lighting superintendent, said today. He said that manufacturers had assured him; however, the situation would be easing soon and if the by-law is passed authorizing installation of 1,200 new residential street lighting units the materials could be here before the end of 1947.

WOMEN who SUFFER MONTHLY PAIN

should try this very effective medicine to relieve pain and tired, nervous, cranky feelings of such days—when due to female functional monthly disturbances. Worth trying!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

A reunion of all ex-service women will be held by the Ex-Servicewomen's Branch, Canadian Legion, at a beach party at Foul Bay, tonight. Ex-service girls interested will meet at Britannia Branch, 1616 Blanshard Street, at 7.30. If the weather is inclement the reunion will be held indoors.

Putnam Appoints Veterinary Officer, Weed Control Expert

The provincial department of agriculture has appointed Dr. John Bankier, a veterinary inspector in the livestock branch, Agriculture Minister Frank Putnam announced today.

Dr. Bankier, graduate of the Ontario Veterinary College, will for the present serve as a veterinary inspector. It is hoped that later he will be able to take over a laboratory service in the livestock branch which will do purely diagnostic work.

Dr. Bankier has previously served more than 15 years with the Dominion Department of Agriculture, having been stationed at several points across the Dominion, most recently Lethbridge.

Laboratory work is at present being done for the livestock branch by federal and other authorities.

At the same time Mr. Putnam announced N. F. Putnam had been appointed assistant field crop commissioner in charge of weed control work.

Thursday, Mr. Putnam visited farms in Saanich to discuss weed control and related problems.

Mr. Putnam took a B.Sc. degree in agriculture at the University of Alberta in 1944 and a M.Sc. degree this year. He was employed in research work at the university plant science division before coming here.

Scout News

Parents' night was held Wednesday by North Quadra Club pack.

Badges were presented to the following:

First proficiency star, Richard Emerson, Bruce McKenzie, Darrel Morne, Stanley Ward, Howard Giles, Dennis Jones and Harold Kirkham.

Homecraft badge, Wayne Farrow, Stanley Ward, Bobby Pearce and Laurence Hill.

Collector's badge, Wayne Farrow, Toyemaker's badge, Jaghat Ram, Chester Powers, Dennis Jones, Keith Laurence, Gordon Huston, Ronald Fletcher, Wayne Farrow and Arthur Calvert.

Ronald Fletcher was invested as a sixer, and Rodney and Harold Kirkham were invested as seconders.

Tonight at 8 p.m. in the Scout Hall, Glasgow, Avenue, a meeting of parents from A and B packs will be held.

Concerts Commence

Musie of Greig and Henry Eccles was featured at the opening concert of the Summer School series Wednesday morning by Don Bushell, cellist and Liborius Hauptmann, pianist.

Highlight of the program was the Greig Sonata in A Minor. Also on the program were the Sonata in G Minor by Henry Eccles, Faure's "Après un Reve" and short works by Mendelssohn, Goltermann and Cesar Cui.

Today's recital featured the English duo, Victoria Anderson, contralto, and Viola Morris, soprano. Friday Gwen Harper, pianist, will be heard.

Taxi Man Fined \$50

Pleading guilty in city police court Wednesday to two charges laid by the provincial Labor Department, William J. Trutman, manager of the Dominion Cabs, was fined a total of \$50 by Magistrate Henry C. Hall.

He was fined \$25 for failing to furnish his employees with statements of wages and earning and deductions, and an additional \$25 for neglecting to notify his employees of their hours of work by posting a notice.

Building permits were issued today to Mrs. L. Dome to build a four-room house at 2624 Forbes Street, costing \$4,500; and to J. E. Boston to build a six-room house at 1479 Lan Street, \$7,000.

Victoria War Brides

War brides of Victorians expected in Halifax today aboard the Queen Mary and their destinations here include Mrs. Hilda Bennett, 3965 Rainbow Street; Mrs. Jean Goyette, Shawnigan Lake; Mrs. Mariette Arnold, 486 Cuduthel; Mrs. Peggy Cromack, 1444 Westall; Mrs. Helen Harris, 1134 North Park; Mrs. Violet Hodson, 473 Superior; Mrs. Helen Rogers, 486 St. Charles; Mrs. Peggy Westcott, 322 Montreal; Mrs. Mary Hill, 1344 Lang; Mrs. Kathleen Hudson, 231 Oswego; Mrs. Edna Thorsteinson, 1637 Davie.

REPRINT

Why must we help feed Europe?

WE HAVE just won the first battle of Europe. We are fighting the second—and the enemy is famine. Time is running out. Already for millions of Europeans it is very late. If we lose this second battle, we have wasted our victory in the first.

► The American tradition of common decency and human kindness demands that we help feed Europe. It is this tradition that has given us one of our greatest assets, "a reservoir of good will throughout the world."

► There can be no permanent prosperity in America while hunger and despair stalk Europe. Our future international trade demands a healthy and productive Europe which only a well-fed and energetic people can create.

► The future peace and stability of America and the entire world demand that we share our food. In the words of Lord Halifax, "Hunger and discontent are a poor foundation for the peaceful and prosperous world we are trying to build." Hunger provokes despair. Despair provokes hate. Hate makes war. In no better way can America's moral, spiritual and material might be used than to restore peace of mind to a despairing world. It is time to display the strength of democracy in peace.

Our reputation as a great and decent nation, our future prosperity, our future security are at stake.

What can each one of us do? Individually we can do little; collectively we can do a lot. If every single American follows the suggestions of the Famine Emergency Relief Committee below, we will soon save much of the food needed for Europe. If each of us writes his Congressman asking that he do all in his power to see that the food we have promised is shipped quickly, it will arrive in time to win the second battle. America has promised to deliver by July first, 6,000,000 tons of wheat, 1,000,000,000 pounds of meat and 375,000 tons of fats and oils.

This is our pledge. We must keep the faith.

J. H. Heinz
President, H. J. Heinz Company

Here is what you can do to save vitally needed food:

- Never waste bread. Make three loaves do the work of five.
- Serve potatoes more often. Try potato pan-cakes, potato soup and potato salad.
- Substitute fruits and other desserts for cakes and pastry.
- Serve oatmeal often. One serving equals two slices of bread in food value.
- Serve open-face sandwiches and pies.
- Use less wheat cereals and other wheat products.
- Save and re-use fats and oils.
- Serve fewer fried foods.
- Salvage all fats that can't be re-used and turn them in to your butcher or grocer.
- Use fewer oil dressings—more boiled dressings for salads.

BUY—COOK—SERVE SPARINGLY!

500,000,000 PEOPLE ARE HUNGRY — DON'T WASTE FOOD

NOW! Faster, Finer Trains EAST THROUGH CALIFORNIA!

If you are planning to go East on business or pleasure have you thought about going East through California?

On round trip tickets to Chicago, New York and most other eastern cities you can go one way through California for little or no more railroad fare than you'd pay to go straight East and back!

This way you can see much of California including San Francisco, Los Angeles, San Diego. Stopover anywhere.

We now have much finer, faster trains on our Shasta Route to California, and on our three routes from California to the East.

On all of these routes we have fast luxurious Pullman trains, and speedy comfortable trains with chair cars and tourist sleeping cars if you are traveling on a limited budget.
